## FOREWORD

The theme of the 1950 TYPHOON is Change. The epoch in which we live is symbolic of Change. The things we do, the ideas we think, the very lives we live are drastically different from the things done, the ideas thought, and the lives lived no longer ago than one generation.

Holding in his hands and in his mind the basic power of God's Universe, Mankind prays for Change. The theme of the 1950 TYPHOON represents a fervent hope that the year 1950 will prove to be more than a chronological dividing line. Our theme of Change is synonymous with the common human desire for Happiness and Peace. The year 1950 must divide peace from war, good from evil, happiness from despair, and order from chaos. It falls the lot of this generation to make this so. We accept the challenge.

*If our Pilgrim Fathers could be awakened from their long sleep they would not believe that this is the same America they set foot on in 1607. The changes that have taken place during such a short period amaze even our most brilliant historians. Each day we read about some breathtaking scientific discovery, or that drastic changes have been made in the government of some country.*

It is with both pleasure and pride that we, the Senior Class, dedicate the 1950 Typhoon to our friend and principal, Mr. Olin C. Webb. May the friendliness and understanding he has shown us, his "new" school, return to him a thousand-fold in the years to come.

*We know that tomorrow is a challenge to our courage and intelligent thinking, and that it will require the staunchest of youth to keep up with the rapid progress that each sunrise brings. You seniors of the class of 1950 will find wonderful opportunities for success and happiness if you will take the challenge of today and mold your characters firmly around it so that you can withstand the rapid flow of progress of tomorrow.*

*Olin C. Webb*

## History of Miami Beach High School

The history of the Miami Beach public school system is linked almost inseparably with the development of Miami Beach itself. Both school and city have actually come into being in the past half century and have grown up with our present generation. Their beginnings and growth afford an interesting study in community and school achievement.

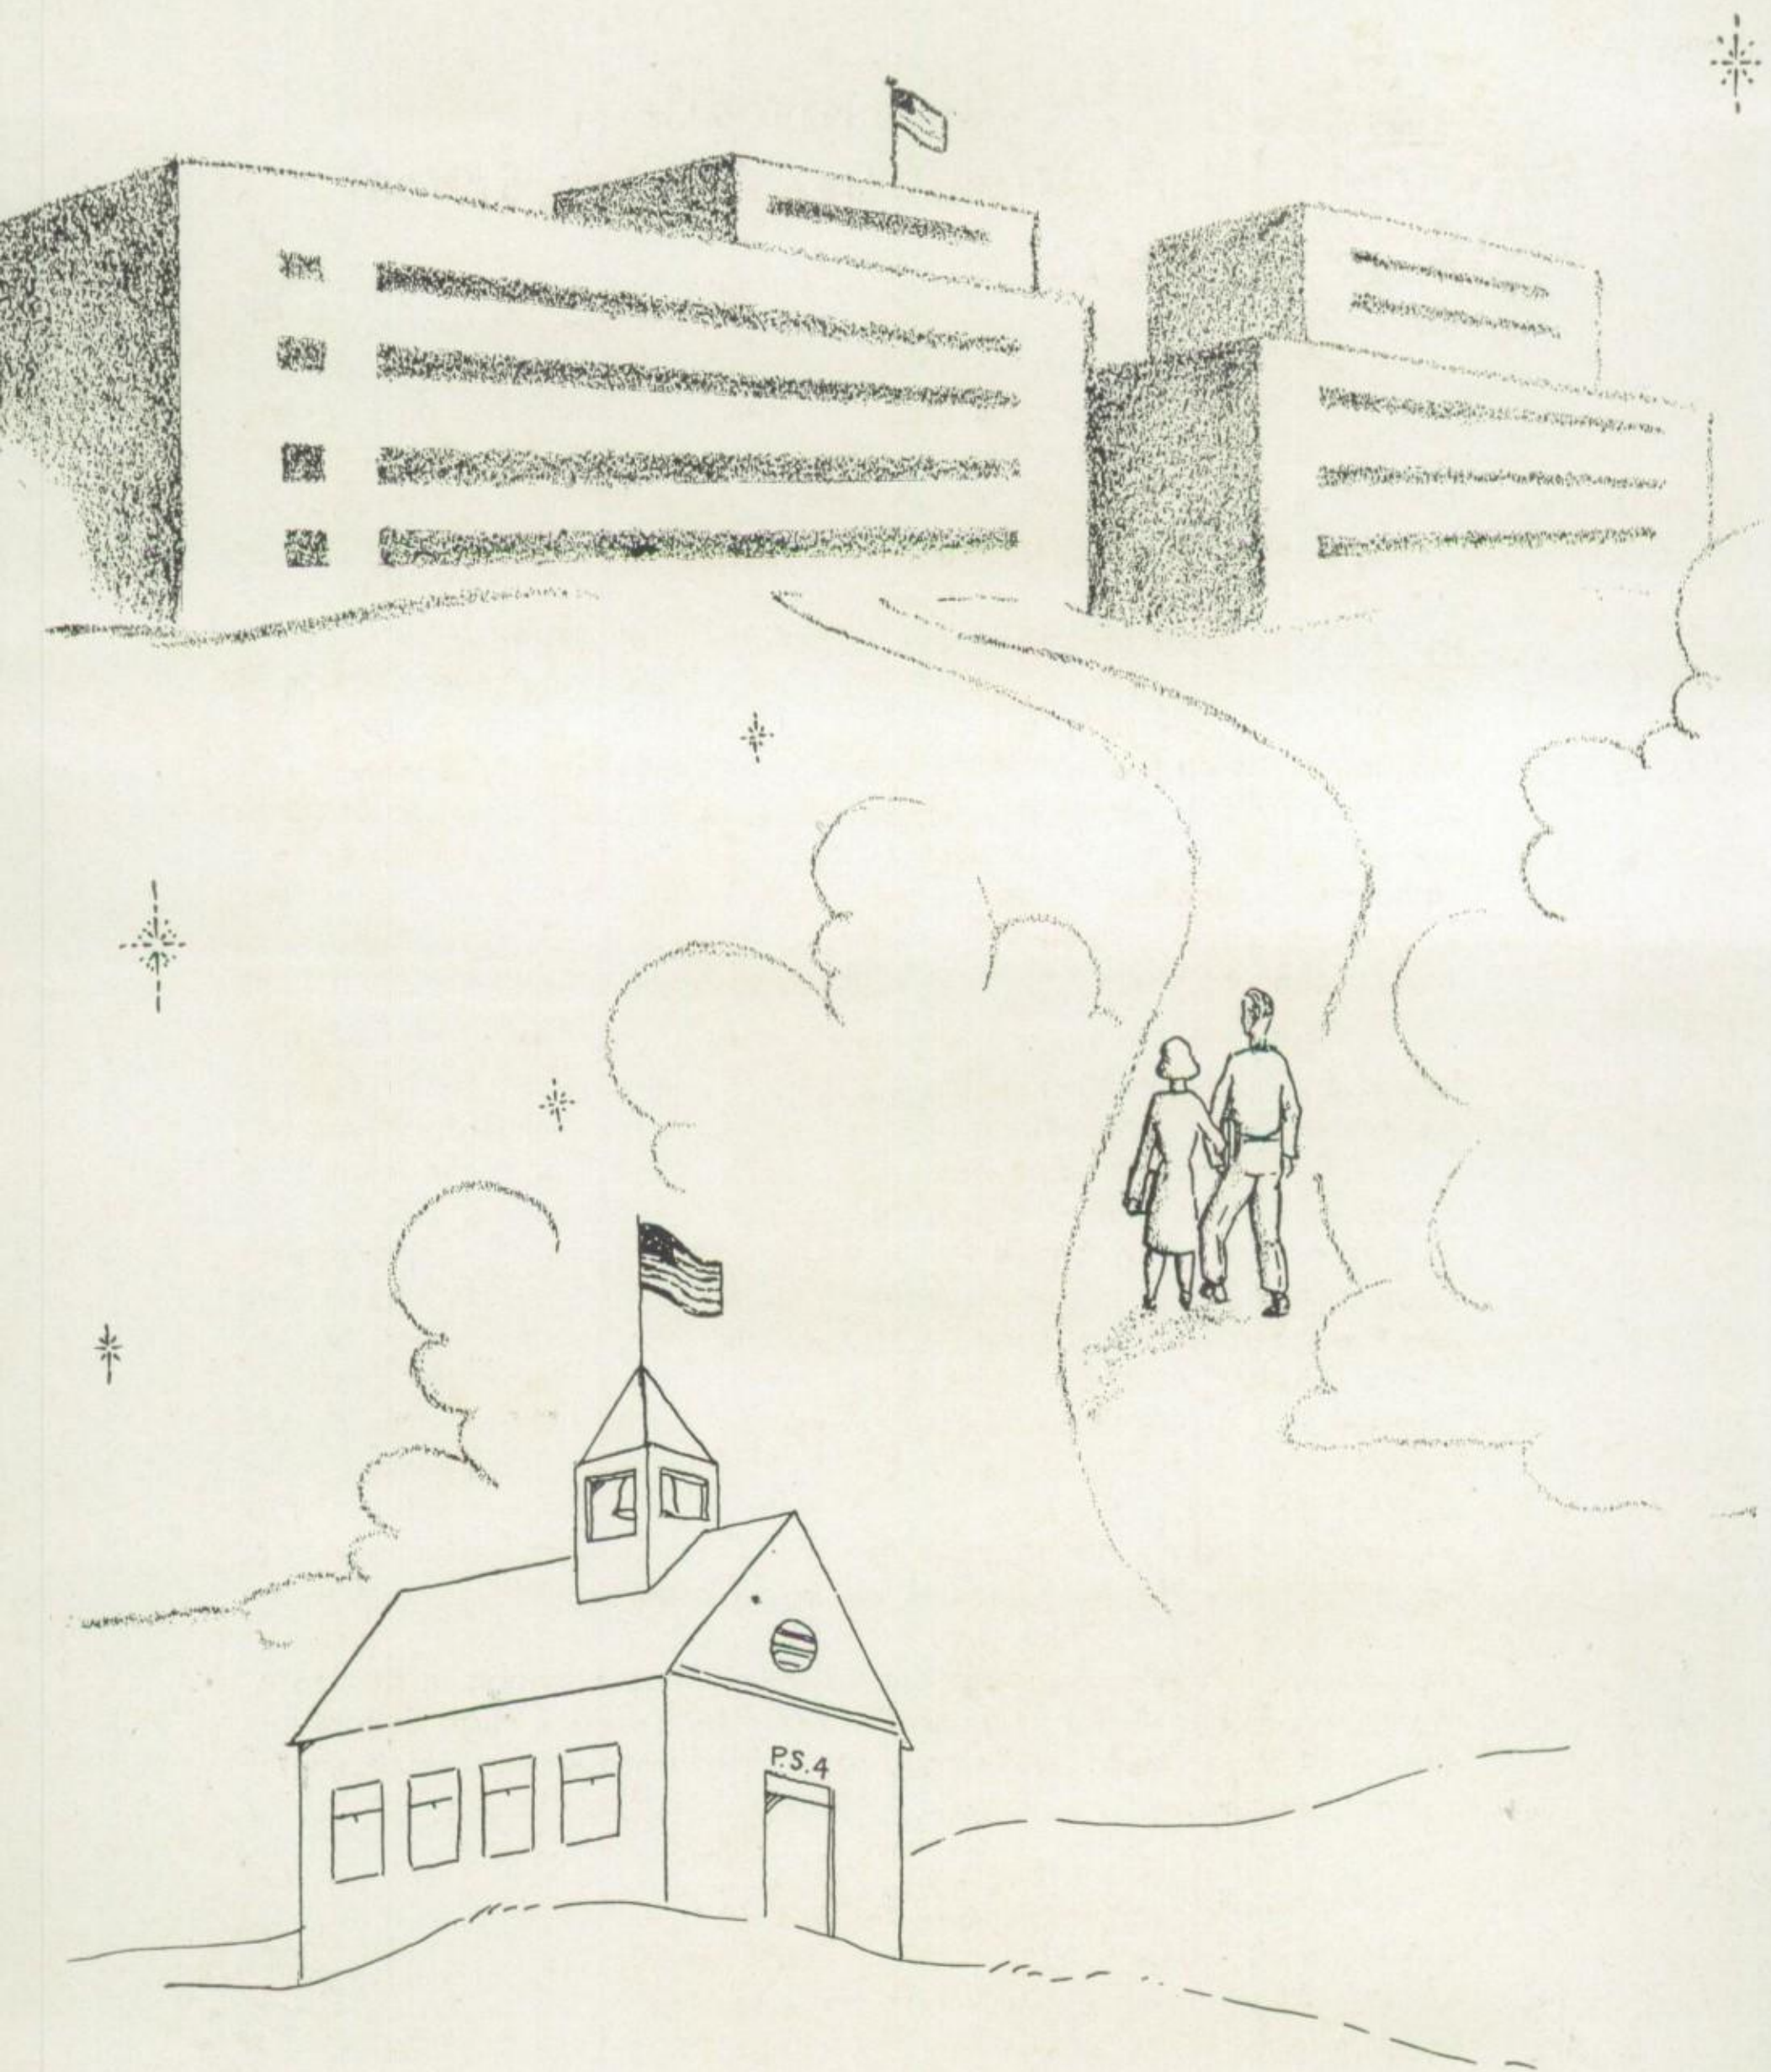

In the early days when what was to become one of the world's most beautiful resort centers was evolving from a mangrove swamp, the far-sighted promoters of Miami Beach realized that in order to hold its visitors and convert them into friends and citizens they must provide a school system adequate for current needs and elastic enough to grow and improve with the rest of the Beach. The Dade County School Board could not find its way financially clear at the time to invest so large a sum of money in a project such as this. Then it was that Carl Fisher, pioneer and practical visionary, for whose mother our junior high school was named, advanced the needed sum of money for the purchase of the land, a loan which was later paid with interest.

The original nucleus of the present system consisted of the elementary and junior high schools and was planned on a "unit" basis to allow for any additional growth. In the autumn of 1926 the present Ida M. Fisher High School building was under construction, but in the meantime classes were organized and instructed under their first principal, Mr. C. C. Carson, in an uncompleted office building on Twenty-third street. Upon completion of the new building the classes grew rapidly and moved into the school with a minimum of delay. Mr. Charles H. Hyde, Mr. R. L. Ellis, and Mr. A. L. Bowes served as the first members of the Board of Trustees and it was under the supervision of this board that the Ida M. Fisher Junior High School was built. Mr. Carson, the first principal, served from 1926 to 1930. Mr. James T. Wilson served from 1930 to 1936 and under his administration the present senior high school was constructed. Mr. Sidney H. Ellison succeeded Mr. Wilson and Mr. Carl Wagner became principal in 1948. Mr. Olin C. Webb took over the administrative reins in 1949. Although one of the youngest schools in the state, the Ida M. Fisher Junior High and Miami Beach Senior High School has already begun to build up a strong set of traditions among which are included a number of annual events of interest to students and community alike.

With the school as an inseparable part of the community, Miami Beach Junior-Senior High cannot help growing bigger and better with the years, even as Miami Beach, her guardian and inspiration, must grow bigger and better with time.

## Parent-Teachers' Association

The underlying purpose of the Parent-Teachers Association is to serve as a medium of contact between the home and the school and to provide opportunities for effective cooperation among the students, the teachers, and the parents.

The P.T.A. has long been a service organization in our school sponsoring several projects which benefited both the students and the community. Some of their most outstanding projects have been: the maintenance of the cafeteria and the supply room on a nonprofit basis; a gift of \$200.00 to the library; \$100.00 towards the public address system and a \$50.00 ad to the 1950 Typhoon. They paid for the medical and hospital insurance for all male athletes and helped with the physical, dental, and T.B. examinations held this year.

Our P.T.A. has indeed completed a most successful year!

### *Cured by the Clinic*

Lewis Carroll's famous words "She administered to each comfort and counsel" describe our nurse, Miss Frances Alderdice, perfectly. The clinic itself is a pleasant, well-equipped airy group of rooms in which students are to be found at any time during the school day for a hundred and one different "ailments."

## *Mid-Year Graduates*

The February Class was an outstanding one in the history of our school. Guided by Bernie Kulchinsky, their Junior Class President, and along with the other junior classes, they sponsored one of the best coronations ever to be presented at Beach High. Their junior prom was not only well organized but also thoroughly enjoyed by everyone who attended.

On April 2nd, 1949, the two homerooms had an informal get-together at Crandon Park, where the day was spent in swimming, playing and eating.

The first thing on the "Senior" agenda was class rings and pins; the second, election of class officers. The results were as follows: Dave Solovey, President; Phil Abrams, Vice President; Sue Goodman, Secretary; and Anna Mae Le Bost, Treasurer.

Senior Skip Day was spent at the Macfadden-Deauville, Friday the 13th; and contrary to superstition everyone had a good time.

On January 29th, 1950, the Baccalaureate services were held in our school auditorium with Dr. Scott giving the benediction and the invocation and Rabbi Moses Mescheloff as the principal speaker. On February 2nd the graduates received their diplomas at graduation exercises. Dave Solovey, president, gave the welcoming speech with Bernie Kulchinsky, Arlene Shea, and Anna Mae Le Bost speaking on topics important to the graduating student.

The class dinner was given on January 21st at the Floridian Hotel, where an evening brimming over with pleasure wrote "Finis" to a happy year for our February graduates.

## *Senior Class History*

The graduating Seniors of June, 1950, have left behind them one of the most outstanding records of accomplishments in the history of this school. Entering junior high in 1944, they began immediately to influence the activities and general atmosphere of the school. They were responsible for the first Student Day held in junior high, as well as for the original chartering of the present Junior High National Honor Society. Their sophomore year passed happily and quickly, with members of the class distinguishing themselves in all kinds of literary, athletic, and scholastic competitions and activities. As juniors, the 1950 Class enthusiastically planned a wonderful cotillion, held at the Saxony Hotel, and presented a well-remembered and well-performed minstrel and coronation. They also participated in all school activities, and many of them ended their junior year well on the way to athletic and academic stardom. The senior year of the Class of 1950 climaxed six years of hard work, fun, and outstanding accomplishments. The marvelous Senior Skip Day, held April 21st at the Floridian Hotel, was made possible by a successful and well-acted class play, "Our Hearts Were Young and Gay". The prom, held June 3, was everything any senior could ask for, and the impressive Baccalaureate Services held a sincere message for all of us. Graduation exercises were conducted on June 8 at the Lincoln Theatre. They concluded 230 high-school careers filled with pleasure and work well-done. Our years at Beach High will provide us all, years from now, with food for thought and happy memories.

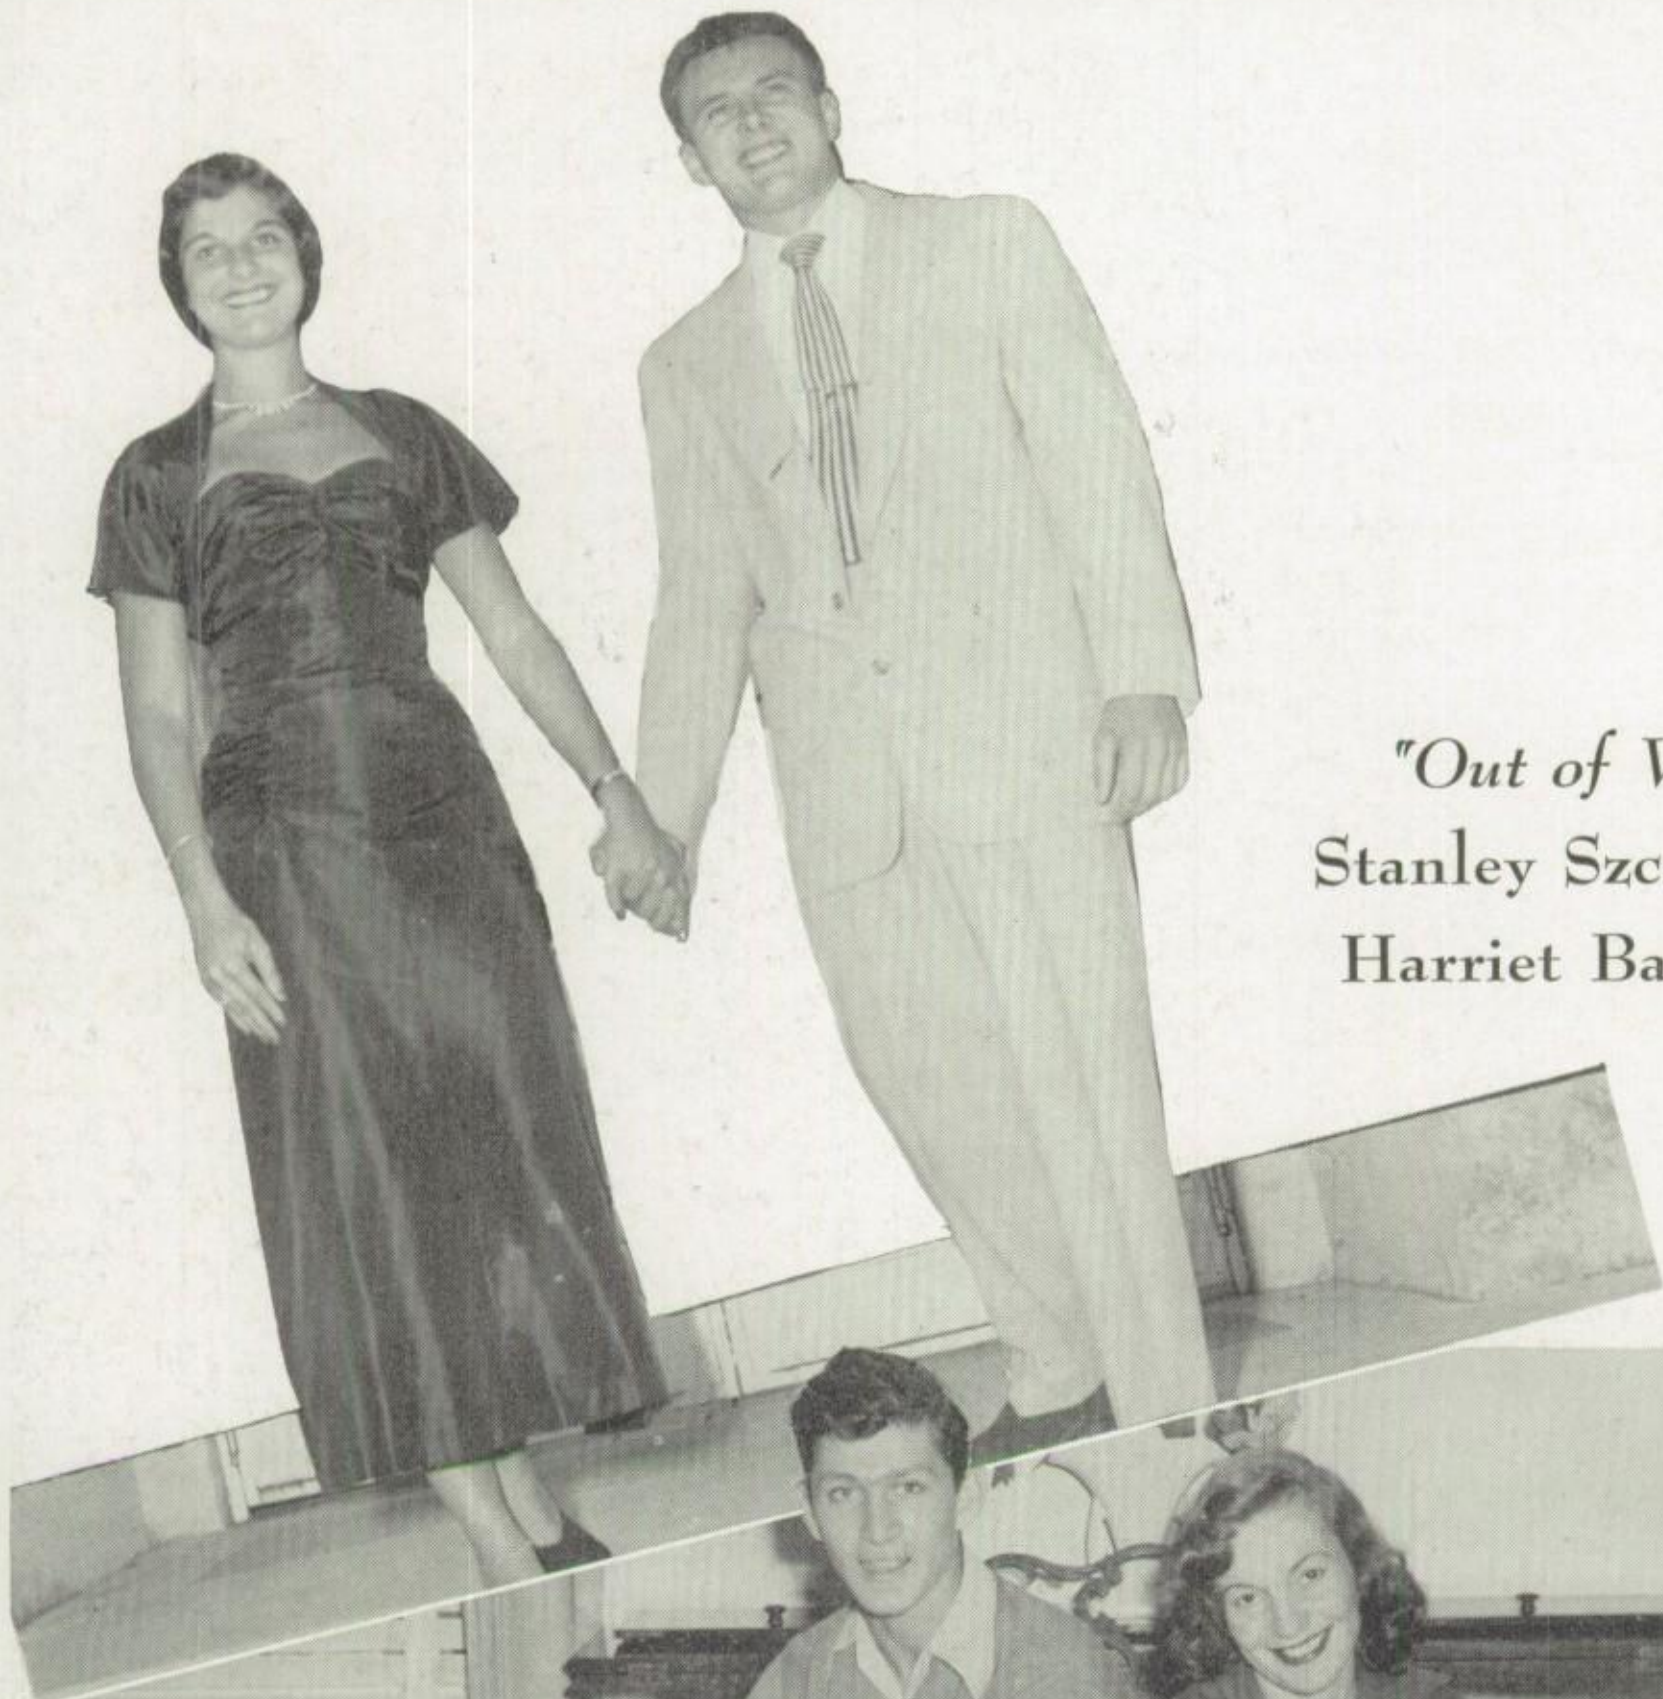

### TO MISS MARGARET GILKEY

*When the years have passed, and much that we have known and loved at MBHS has been all but forgotten, among the memories which we, the 1950 Seniors, will recall most clearly and fondly will be those of the smiling face, the patient counsel, and the good advice of Miss Margaret Gilkey. As advisor on the planning of schedules, as our genial counselor on college plans, and as an understanding and helpful friend Miss Gilkey has won our admiration and respect---and a place in our hearts.*

## *Our Band*

The Typhoon Band is one of the most active organizations in the school. It participates in all school functions such as football games and assemblies. They are active in civic affairs, Orange Bowl and New Year's celebrations and Flamingo baseball games. They entered the Florida Bandmaster District and State Contest, receiving second place.

The Band program is open to all students from seventh to twelfth grades. The Majorette Corps consists of girls from tenth grade through the twelfth and admittance to the corps is by audition only.

### *A Cappella Choir*

The A Cappella Choir in this, the second year of its existence under Mr. Duff's direction, has made great strides. With a well-balanced membership of seventy-five voices, it has become recognized as an integral part of the life of Beach High. Its many activities this year included assembly programs, singing for P. T. A., Civic Clubs, hospitals and hotels, participating in the great Orange Bowl pageant for the F. E. A., the Junior Variety Show, the Spring Music Frolics, and the Commencement activities of January and June. The highlight of the year was the winning of a First Division rating in the District Festival of the Florida Vocal Association.

The members of the Choir are finding a real joy in singing together, and have high hopes that the Choir will soon be doing its full share to keep Beach High in its present high position among the schools of the community and the state.

## *National Honor Society*

Admission to the National Honor Society is one of the highest honors a high school student can obtain. Membership is based on Character, Scholarship, Leadership, and Service.

As one of their main projects this year the honor society sold "black and gold" dusters to encourage school spirit at the games and on "color day" and raise funds to give worthy activities and clubs.

The members were tapped at two very impressive ceremonies given in the assembly, one held each semester. New Members include: Eugene Weiner, Bernice Sir, Hans Weil, Stephanie Winkler, oyce Bruckner, Mark Goodkind, Marcia Hankoff, Cyvia Baer, Geraldine Janis, Alan Dworsky, Tala Engel, Joan Fadem, Jerry Davis, Louis Goldberg.

### *Future Teachers of America*

The Future Teachers Club was organized on March 10, 1947, and has carried on successfully since then. Sponsored by Mrs. Robinson, the club is made up of those students interested in becoming teachers. The purpose of the club is to acquaint such students with the facts and opportunities in this field and to cultivate the qualities essential to a good teacher.

### *Brush and Palette Club*

The Brush and Palette Club is not only for those students who excel in art, but for those who are also interested in learning the basic fundamentals. Mrs. Jordan, their sponsor, gives them excellent instructions in all phases of art. The club's main project each year is the art exhibit in May, at which time anyone may enter his work. Prizes and ribbons are awarded for outstanding work.

## *National Forensic League*

The members of the N. F. L. in Beach High School have played a very important role in debate, Student Congress, and individual contests. The rewards for interest in forensics are various.

In using a large number of students in speech contests this year, Mrs. Abner, the coach of forensics in our school, feels that interest has grown and that "talents under the proverbial bushel" have been found and made of value to the individual, the school, and the community.

In addition to the twenty or more students participating in some forensic contest this year, others have been guests of clubs and organizations in panel discussions on matters of local, state, and national interest.

Debate tournaments have been held at Beach, Miami Jackson, Ponce, and Miami High Schools with some twenty students debating from our school. In the grand finals of the year, the Sophomore Tourney held at Miami Jackson on May 9, fifteen teams from our school were entered and showed great promises for the next year.

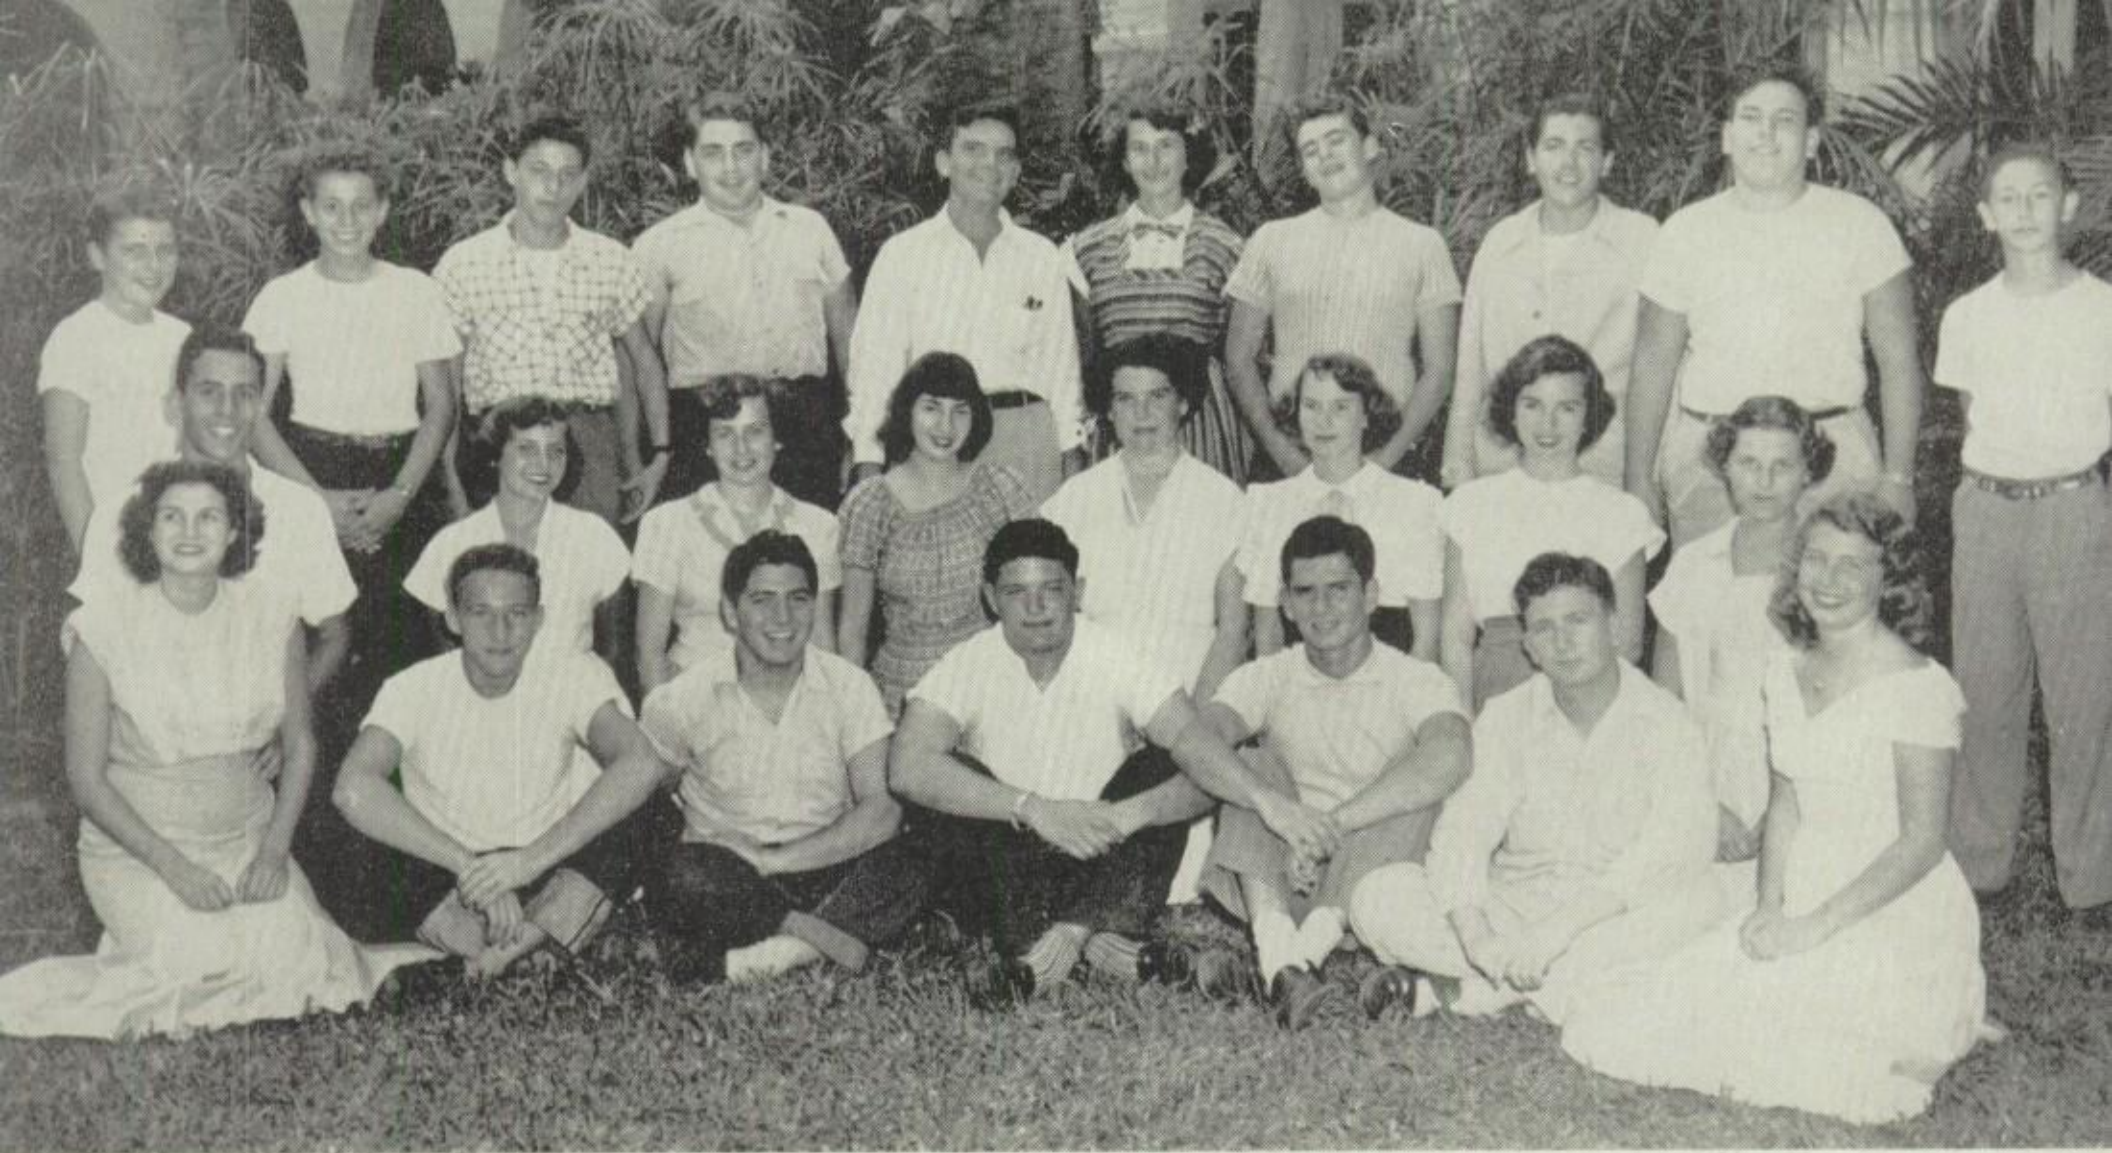

At State N. F. L. our debators went out in the semi-finals, but went on to Birmingham, Alabama—Southern Speech International Meet—where they won the second Debate Championship.

Mrs. Abner, Coach

### *The Geometry and Mathematics Clubs*

Our school is most fortunate to have both a Geometry and a Mathematics club, since students in these groups have an added incentive to learn the fundamentals of mathematics. The Geometry Club is under the guidance of Mrs. Esther Cronin and The Mathematics Club, of Mrs. Lilla Lyle.

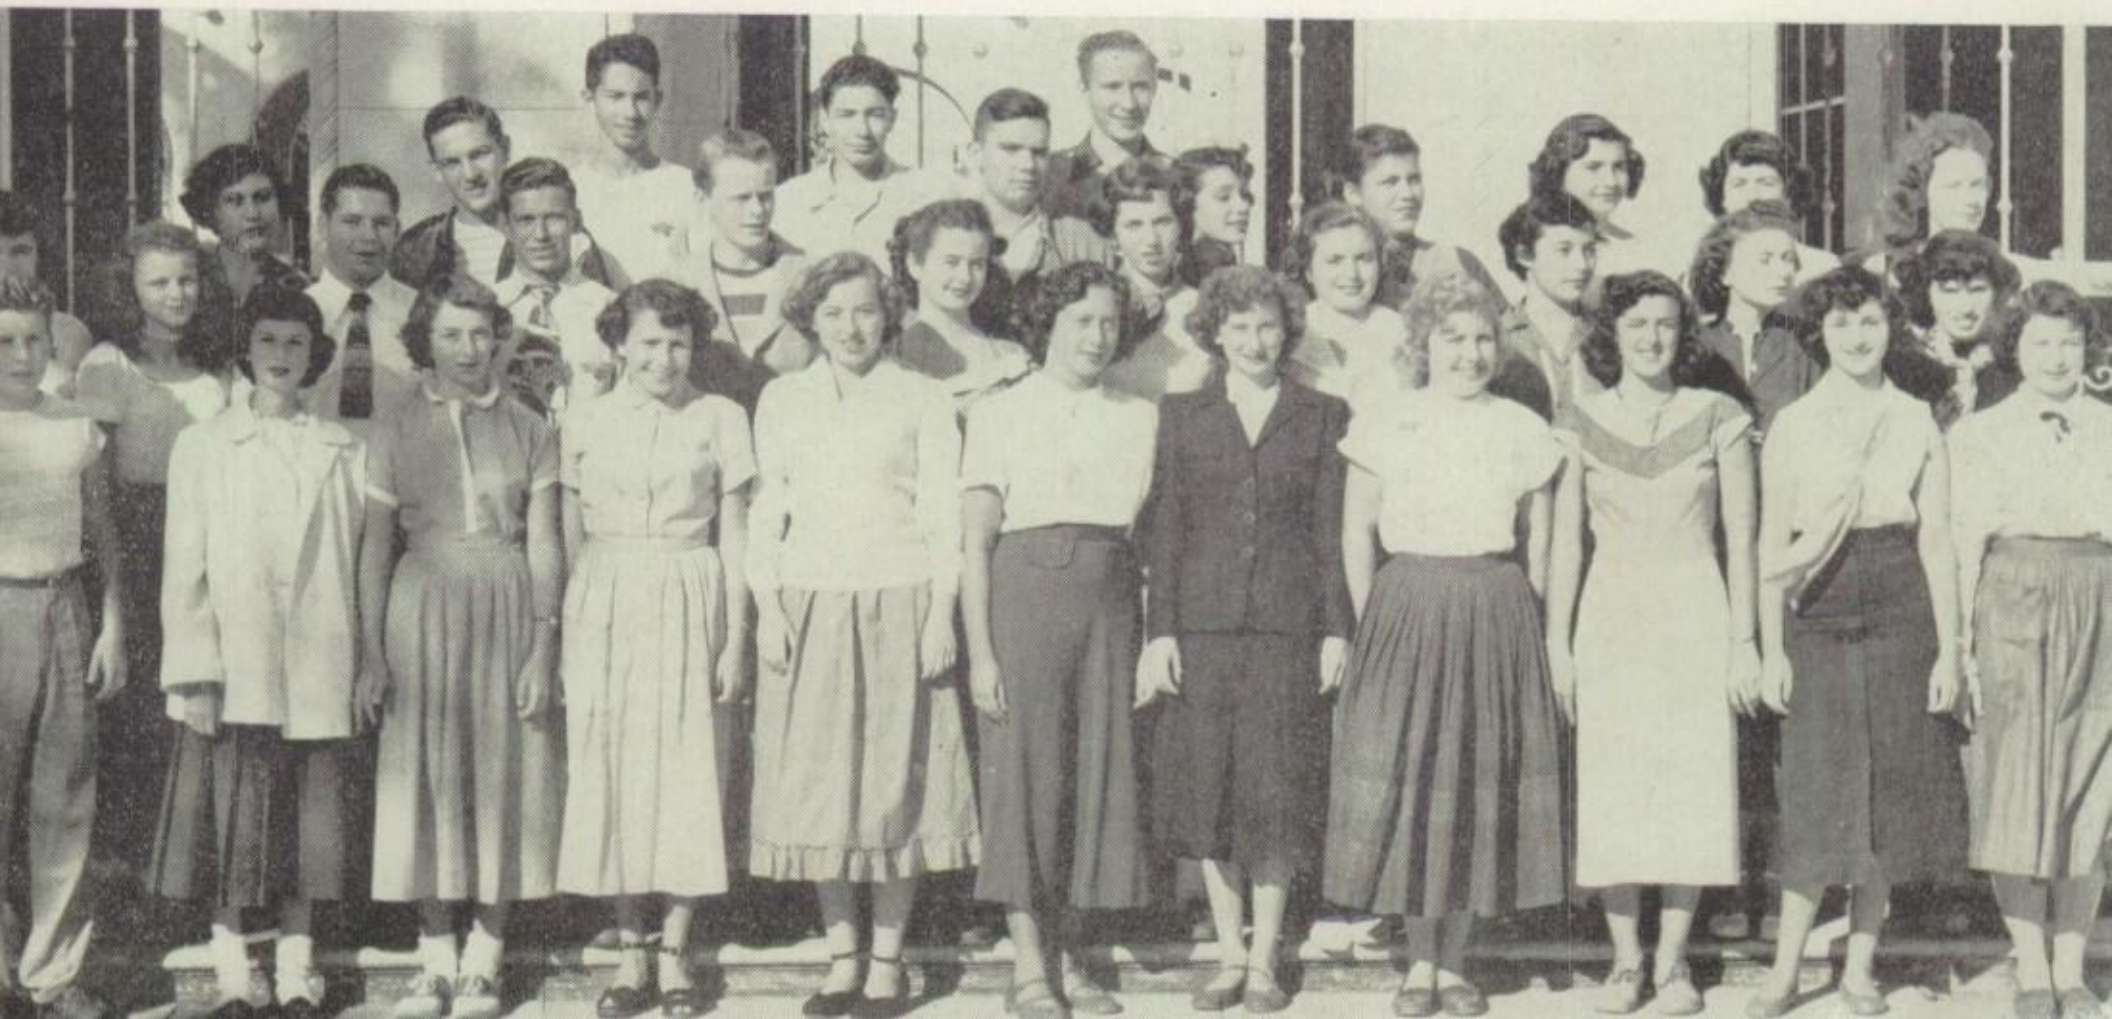

### *Library Assistants*

The library assistants are one of our most important service groups to whom we owe a hearty vote of thanks. They are those busy students we usually see hurrying around the library straightening shelves, filing cards, and helping students. Their "sponsors" are Miss Alma Montgomery and Miss Evelyn Smith.

### *Allied Youth*

The purpose of the Allied Youth Club in our school is to show young people how they can have a good time without drinking and provide a place where people can build strong well-adjusted personalities that need no alcoholic beverages. Social and educational programs alternate every week. The club, with the help of its sponsors, Miss Hopkins and Mr. Duff, devotes much of its time to money raising activities which keep it self-supporting.

## *Spanish Club*

El Club Espanol is made up of various Spanish classes. One period a week is set aside for a meeting. Each class has its own set of officers and committee chairmen. Their activities include: (1) singing popular songs in Spanish, (2) current events of Spanish-speaking countries.

With their dues the members have purchased much of their valuable equipment, bought medals, and sponsored "fiestas." The purpose of the Spanish Club is to familiarize the students with the customs and traditions of the Spanish people.

This year's "Miss Spanish Club" is Elsie Eckardt.

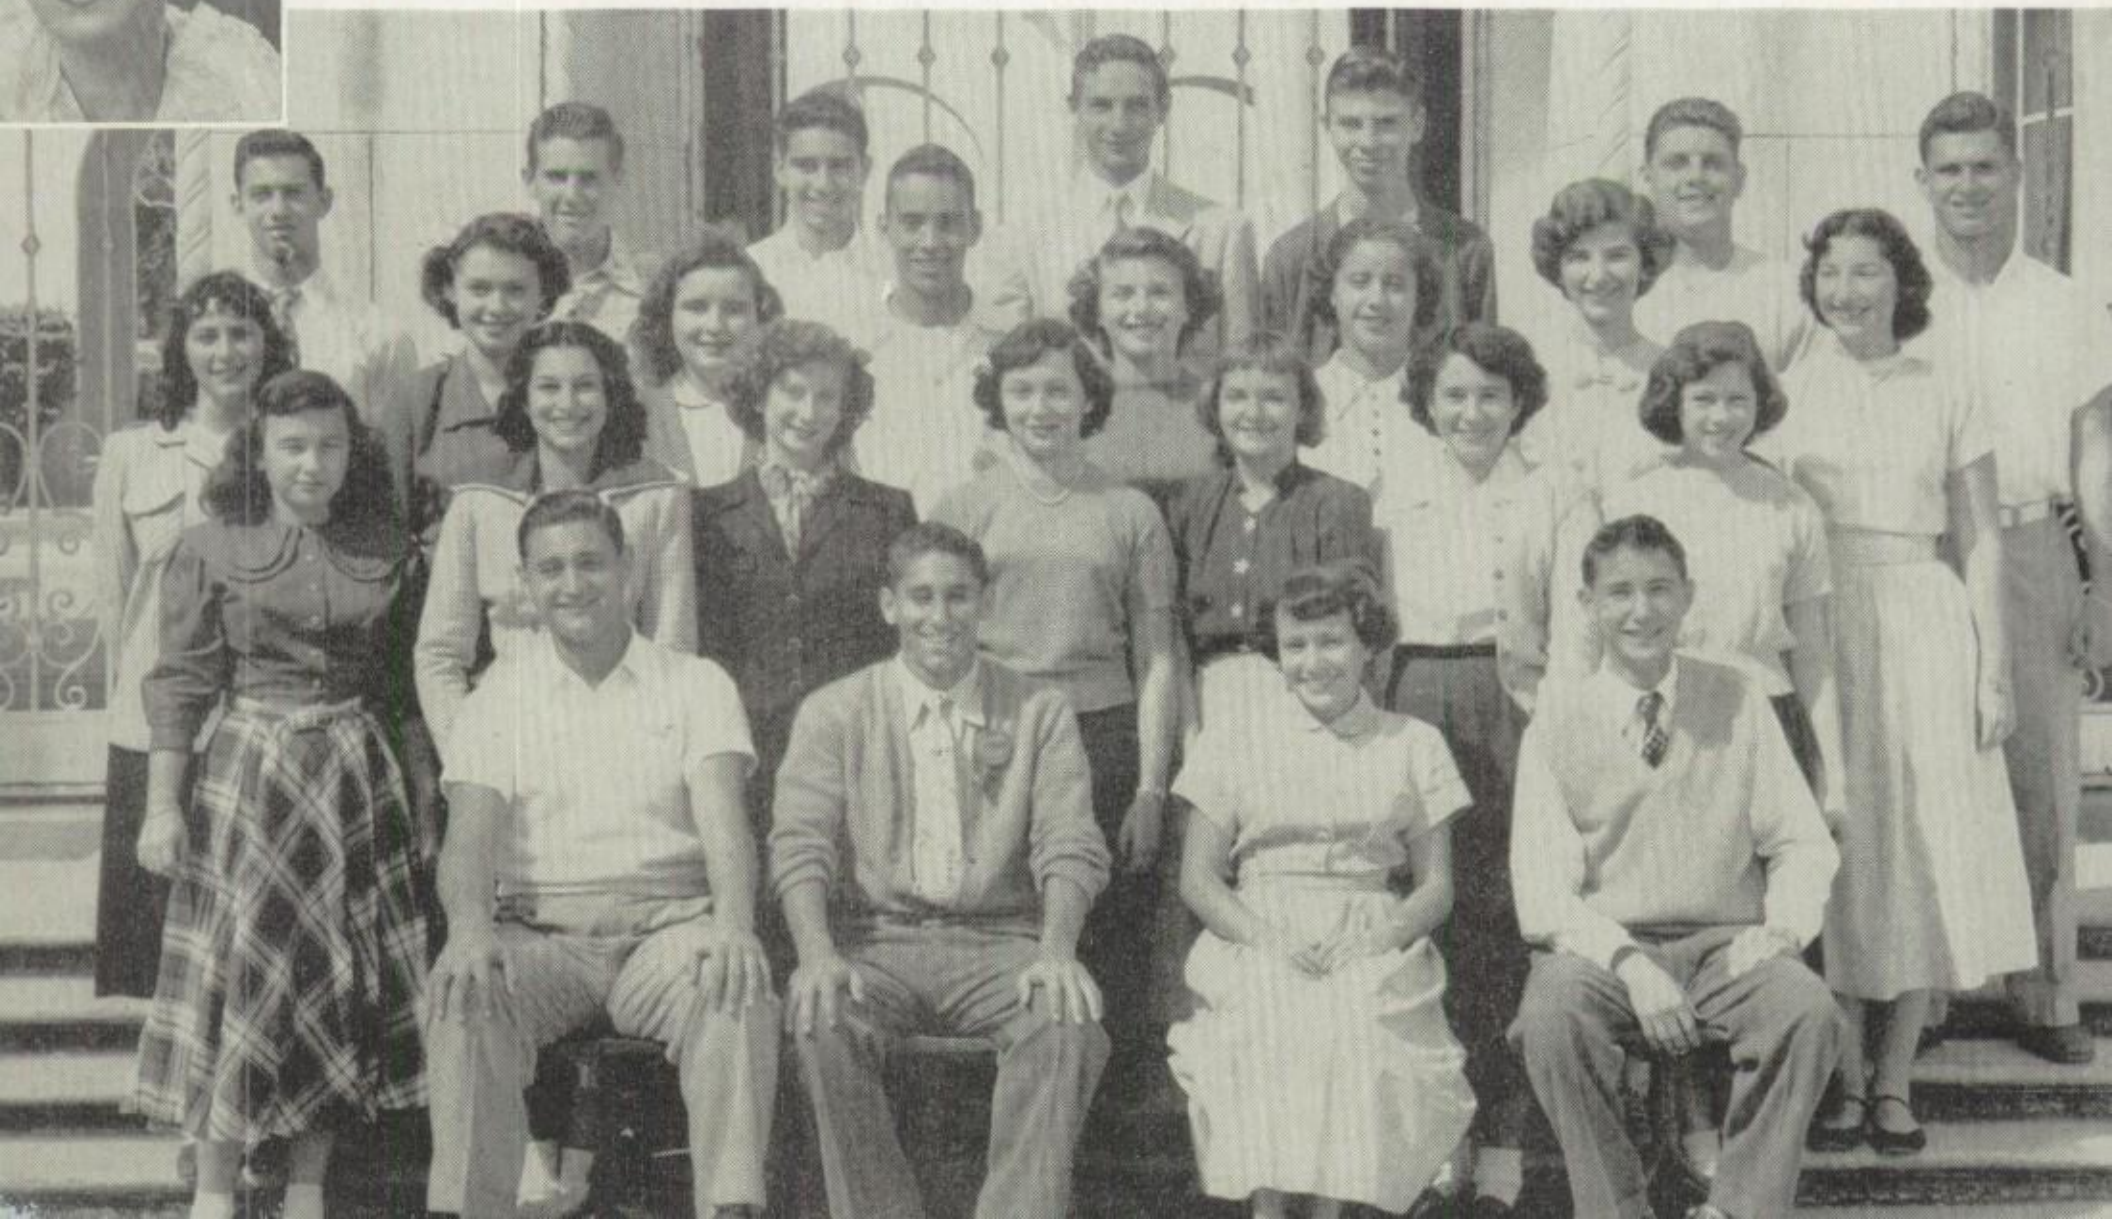

Miss French Club  
Connie Jackson

## *The French Club*

The "Cercle Francais" is one of the oldest and most active organizations in the school. It includes all students interested in the language and encourages better acquaintance with French art, music, history, and language through games, songs, contests, and other such activities.

Assisted by Mrs. Gail Davis, their sponsor, they have included among their projects the sending of packages through C.A.R.E. and presenting medals for proficiency in French.

Annually the club selects a Miss French Club; this year's is Miss Connie Jackson. She was given a beautiful friendship bracelet to commemorate the event.

## *The Latin Club*

The Latin Club was formed to stimulate interest in the language and to provide an opportunity for the students to extend their knowledge of the Romans and of Latin. Their meetings feature plays, songs, games, and addresses on interesting phases of Roman life.

Each year the Latin Club presents three medals for outstanding work: a bronze medal, based on one year's work; a silver medal on two; and a gold medal on three years of study.

This year's "Miss Latin Club" is Miss Rhoda Feldman and the Latin Club sponsor is Miss Marion Ellis.

## *Wheel Club*

"Service above self" is the motto of each member of this organization. Service and spirit are the cornerstones upon which the club is laid. This year's Wheel Club has lived up to their motto in every way possible. With Mr. Cooper as their constant inspiration they have kept our cafeteria the cleanest in the state, served tea and honey to the tired football players, served at the P.T.A. dinner, and were hosts to the school at the Homecoming bonfire.

## *Key Club*

The main objects of Key Club are to develop initiative and leadership, to serve the school and community by working together and to prepare boys for useful citizenship in their community. The boys in Key Club have demonstrated how well they have learned their club's principles. Guided by Mr. Cook, their first term advisor, and Mr. Rice, second term, they have sponsored many worthwhile projects, among which have been ushering for all important school affairs, sponsoring several dances after football games, and starting plans for a complete School Directory.

*"Get thee to a nunnery." Hilary Levin and Dan Seltzer in a scene from Beach High's first full-fledged Shakespearian play, "Hamlet".*

## WILL SHAKESPEARE AT BEACH HIGH

Under the skillful direction of Mrs. Betty Sokoloff, the Thespian Society has successfully produced two Shakespearian tragedies at Beach High. The first, "Hamlet", was presented to an enthusiastic audience on June 4, 1949. This year's production was the great tragedy of misdirected ambition, "Macbeth", staged on April 28 and 29. Both plays were especially abridged for high school performance by Dan Seltzer, who played the title roles and arranged the recorded background music. Others in the cast of "Macbeth" not pictured below included Tony Van Wye as Macduff, Marvin Goodman as Malcolm, Sandford Kimball as Ross, Rosalyn Solosko and Gloria Goodman as Lady Macduff; Irwin Kishner as Lennox; Charles Mutter, Rhoda Granat, Bill Poticha, Toby Rosenblatt, and others.

*"If you can look into the seeds of time . . . speak then to me . . ." Jerome Witt as Banquo, with Vickie Ellen Herman, Barbara Yagoda, and Vickie Habib as the three witches.*

*"Here's the smell of the blood still . . ." Doris Joseloff as Lady Macbeth in the Sleep-Walking scene.*

*"My dearest love, Duncan comes here tonight." Gerry Lou Rose as Lady Macbeth and Dan Seltzer as Macbeth.*

## *Thespians*

Mrs. Sokoloff

"On Stage, Everyone" is a familiar call to every member of Thespians. Eligibility for the Dramatics National Honor Society is determined by a ten point system. One may earn points by participating in plays and radio shows, and working on the production staffs of school presentations.

This year's Thespians, with the help of their sponsor, Mrs. Sokoloff, worked tirelessly to produce "Interlude In Greasepaint," "Faust," "Macbeth," and the Senior Class plays. They have assisted many worthwhile organizations in school to raise money through the Dramatics department.

## *Council*

### *Second Semester*

The second semester council continued and was able to improve many of the projects begun by the first semester council. Work was completed on Beach High's first Activity Point System, and plans were begun for a long-range project, an Honor System. A school flag was purchased, and for the first time in several years, open student council meetings were held. A projected program for the playing of recorded music before school over the PA System was started, and there were more Friday afternoon dances in the Patio than ever before. The most important project was the large planning job necessary for the annual Florida Association of Student Councils Convention. As President School of the Association, this council worked out all discussion group topics and the over-all theme, and presided at the convention. Work was also begun for next year's guide book. Student Council has planned all assembly programs, held color days, and has worked out the tentative school activity calendar. It has been in charge of all publicity for school events, and held a successful Field Day.

#### MIAMI HIGH TRIMS BEACH 13-0 — October 1

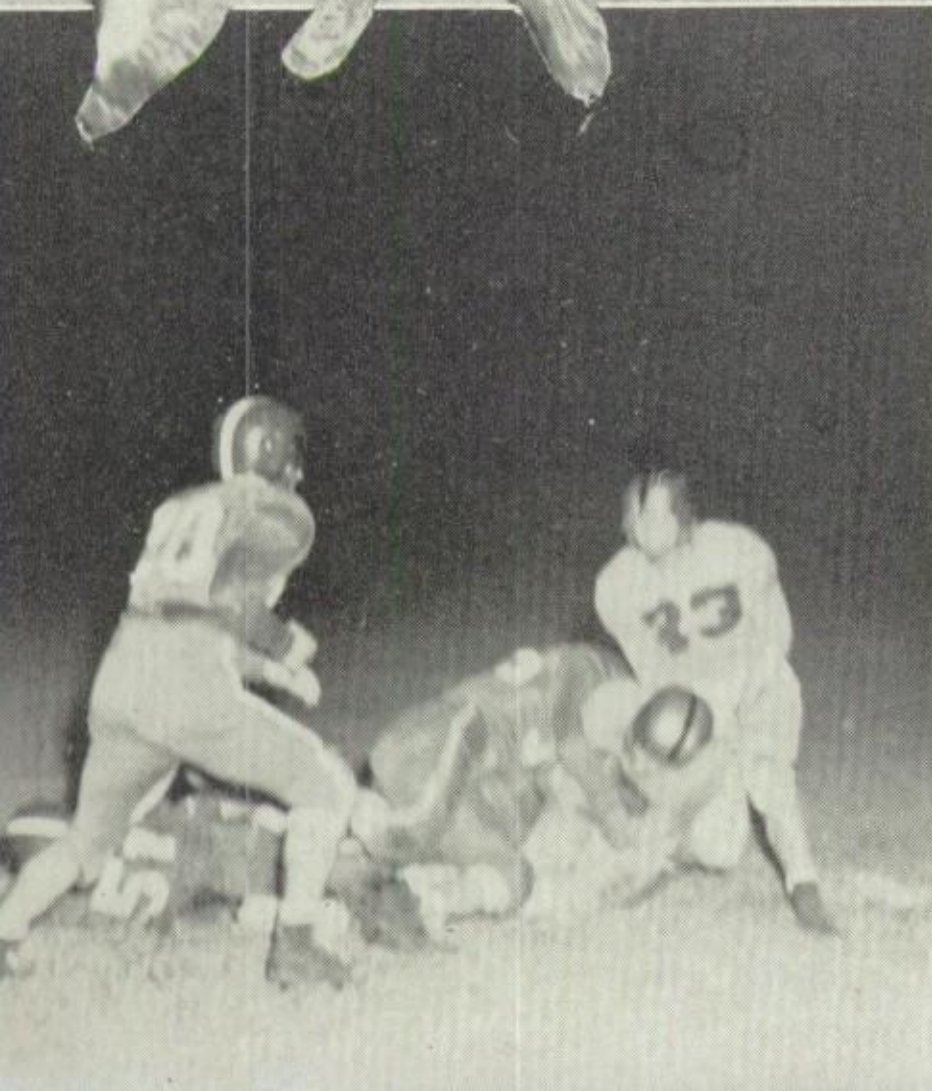

To start off the 1949-50 season the Typhoons, although on the losing end of a 13-0 score, won the respect of all their fans as a hustling and fighting ball club.

Miami High racked up both scores in the early part of the game, but after the half it was a different story. The Typhoons, playing with a new found spirit, stopped the Stingarees again and again. Though they never actually scored, they were a constant threat. It is impossible to single out any exceptional ball-player as the entire team played a whale of a game.

#### BEACH EDGES PONCE 6-0 — October 14

After a complete mix-up of schedules and postponements, the Typhoons, led by Arnie Oaken, defeated their arch rival Ponce de Leon by the score of 6-0. In a game which saw a great deal of straight hard football by both teams, the Typhoons outfought their opponents for the lone score and defeated the Cavaliers for the fourth year.

#### BEACH SWAMPS VERO 59-0 — October 20

In the second game of the season the Typhoons came through with a 59-0 trouncing of Vero Beach. Scoring at will and never once threatened by the Indians, the Typhoons, using their full squad, played an exceptional game. Paced by Barry Berish's three touchdowns and several lone scores the Typhoons served notice that they would be a constant threat throughout the remainder of the year.

### BEACH TAKES LAKE WORTH IN STRIDE 20-7— November 17

In a traditional Gulfstream battle the Miami Beach Gridders rolled to a 20-7 victory. Forsaking the air the Typhoons punched through the Trojans' line for two first-half scores and led 14-7. The Beach line held the Trojan offense in check and played an outstanding game throughout. The scoring was done by Jim Schwartzberg, Barry Berish, and Jim Le Vine.

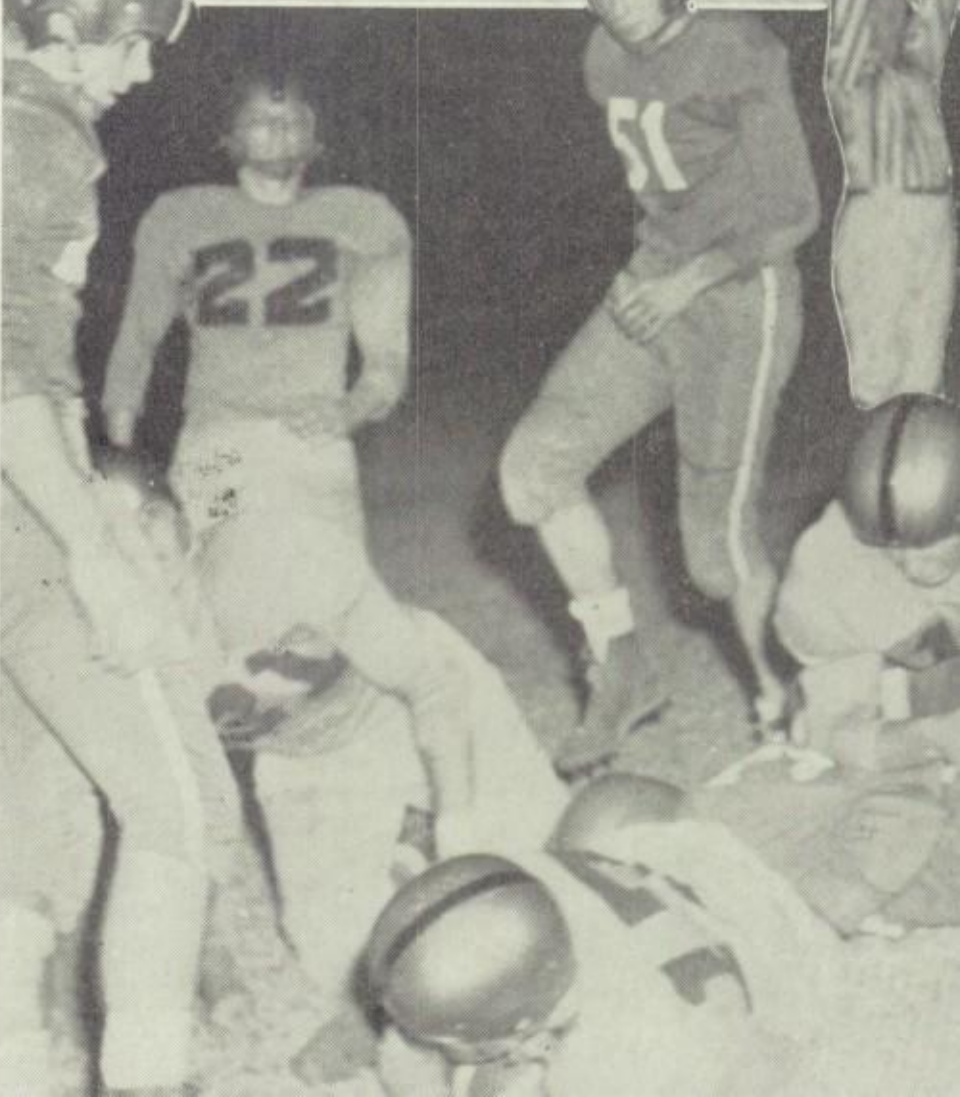

### MAINLAND DEFEATS BEACH 6-0 IN THRILLER — December 3

Heavy underdogs for the second time of the year, the Typhoons threw a real scare into an unbeaten team. Mainland of Daytona Beach which had been considered one of the "3" best teams in the state got their lone marker late in the first quarter and spent the rest of the game trying to stop a fighting Typhoon team.

The Typhoons, 15 point underdogs, played the type of football they were capable of and were led by Jim Schwartzberg, Charlie Appel, and Sid Orlins.

### BEACH TOPPLES HENDERSON 19-14 — December 10

In the third annual Civic League classic Miami Beach ended the season in a blaze of glory by downing the North Carolina State Champs 19-14 in a bitterly contested battle which found the Typhoons ahead at half-time by the score of 13-7. The second half was packed full of excitement and thrills. Another score by Arnie Oaken and a terrific goal line stand found the Typhoons the winner when the gun sounded, the final score being 19-14.

## *Basket Ball*

### *1950*

With Mr. Ralph Rice beginning his first year as Coach, the Beach cage squad ended a highly successful season with a record of fifteen victories and five losses.

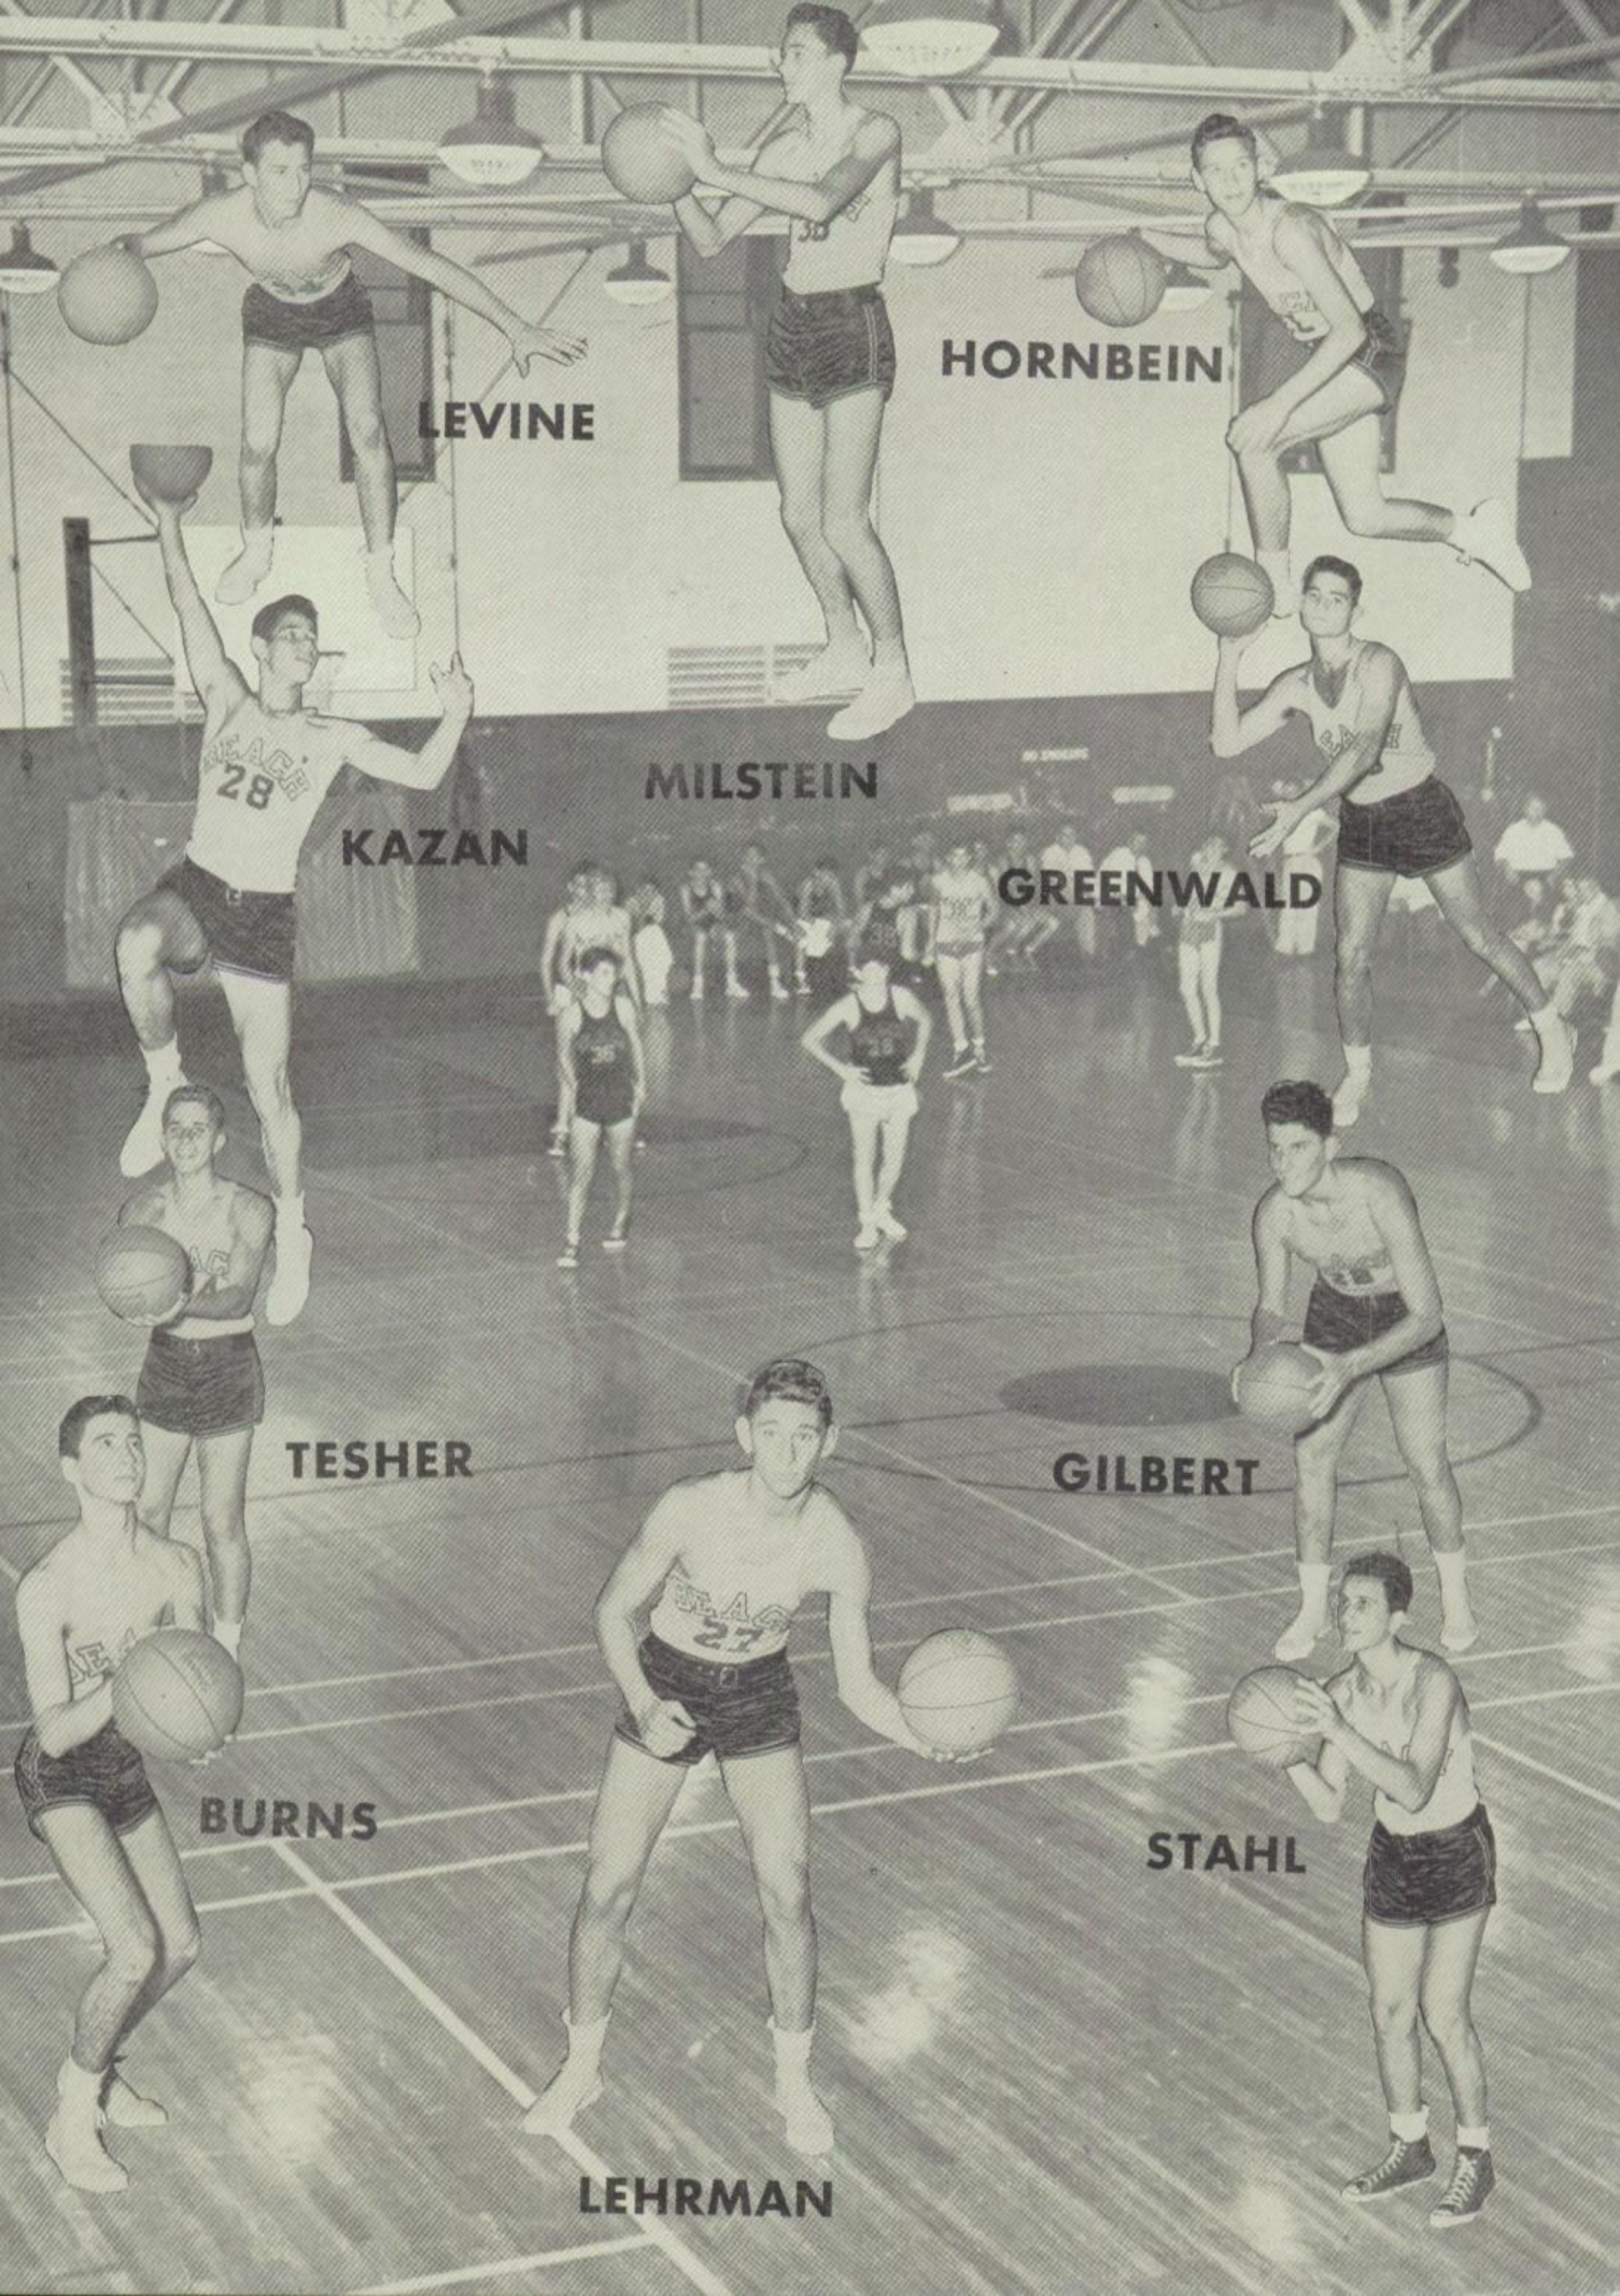

Ronnie Lehrman and Howie Tesher received All-City honors, while Marty Kazan got honorable mention.

The three basketball managers, Leonard Berg, Marvin Gross and Irwin Lep-seltzer, deserve a great deal of appreciation for the help they gave the team in every way possible.

Words can not actually express what we think of our terrific squad. They did an excellent job and we are very proud of the 1950 Basketball Team.

### BEACH ROMPS TECH IN OPENER 47-33, JANUARY 6, 1950

In the opening game of the season, the Typhoons plainly showed that they would be a constant threat in the city-race. Although paced by Marty Kazan in the scoring department, the victory was brought about by the entire team. Making all their shots count, the Typhoons blasted their way through the Tech defense, and in the fourth quarter the second team took over and greatly increased the lead.

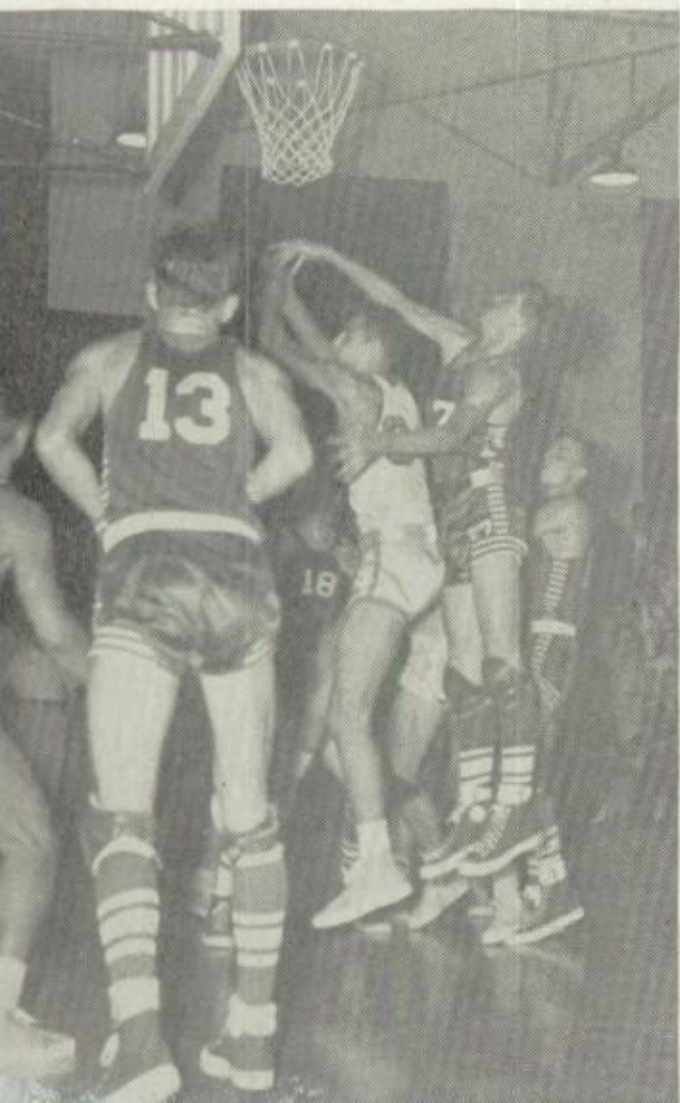

### BEACH SWAMPS LAUDERDALE 45-29, JANUARY 13, 1950

Starting the game as underdogs for the first time this year, the Typhoons soon showed their superiority. Hitting their stride in the second quarter, the Beachites were never stopped. With mid-term graduate Arnie Weiss setting shots and Howie Teshler doing the same, the Typhoons earned a well-played victory.

### BEACH EDGES MIAMI IN OVERTIME, 58-45, JAN. 20, 1950

Making up for other losses to the Stingarees, the Typhoons downed hard fighting Miami High five. The game can honestly be said to be one of the most exciting of the year. With a few seconds left to play, Kazan looped a two pointer to put the game in overtime. In the remaining few minutes Jerry Bur and Marty Kazan teamed up to score. With the added help of his scorer Howie Teshler the game ended with the Typhoons the victor.

### BEACH LOSES TO EDISON, 45-30, JANUARY 17, 1950

The Beach cage squad was dealt a hard blow in their first loss of the season to a fast moving Edison five. The game found the Edison team really on the ball and the Typhoons could do little against them. Edison jumped to an early lead and stayed there till the third quarter. The Typhoons then got the range but it was too late. Ronnie Lehrman led the scoring parade for the Beach team.

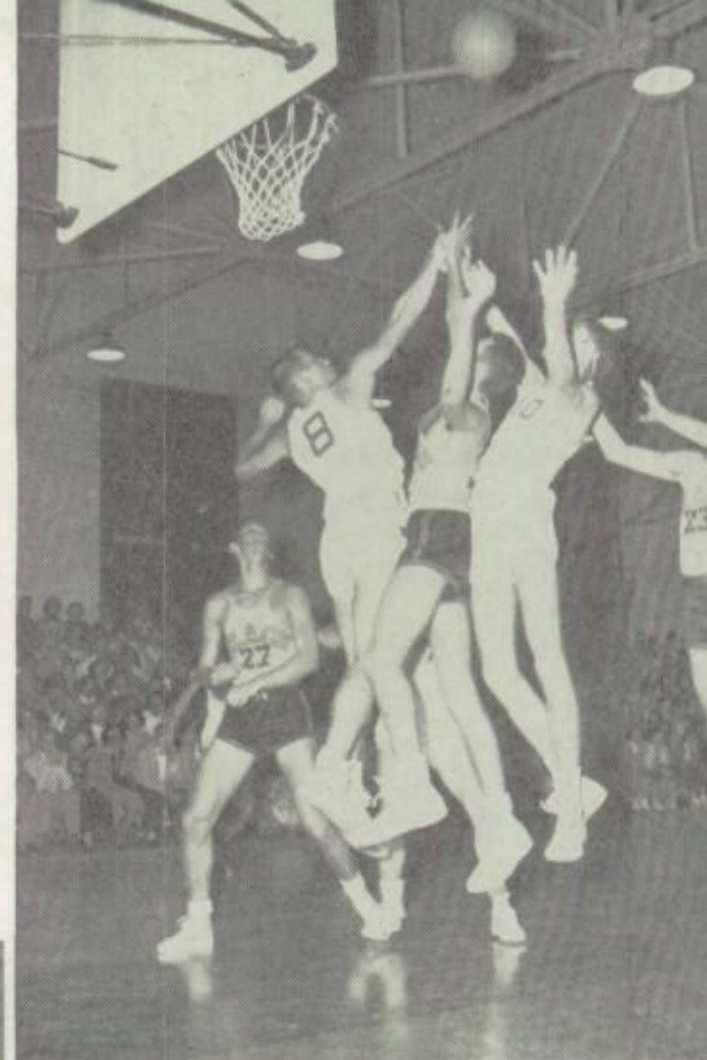

### BEACH TOPS JACKSON FOR CITY CROWN, 45-33, JAN. 27, 1950

With the city championship depending upon the outcome of this game, the Typhoons came through like champs. Playing a determined Jackson quintet, the Typhoons held on to their slim lead and the outcome was cinched by the quick ten points of sub Stan Angel in the latter part of the game. By winning this game the Beach took undisputed possession of the city crown to add another honor to their record.

### BEACH TRIMS PONCE, 44-33, FEBRUARY 10, 1950

Playing their arch-rivals, Ponce de Leon, the Cagers took over where the grid squad left off. In a hard-fought game which saw the lead change hands several times, the Typhoons, led by the sharpshooting of Annie Lehrman, soon pulled ahead and stayed there until the gun sounded. A lot of credit is due to the defensive playing of Norty Levine and Art Gilbert.

### BEACH KNOCKED OUT OF STATE RACE

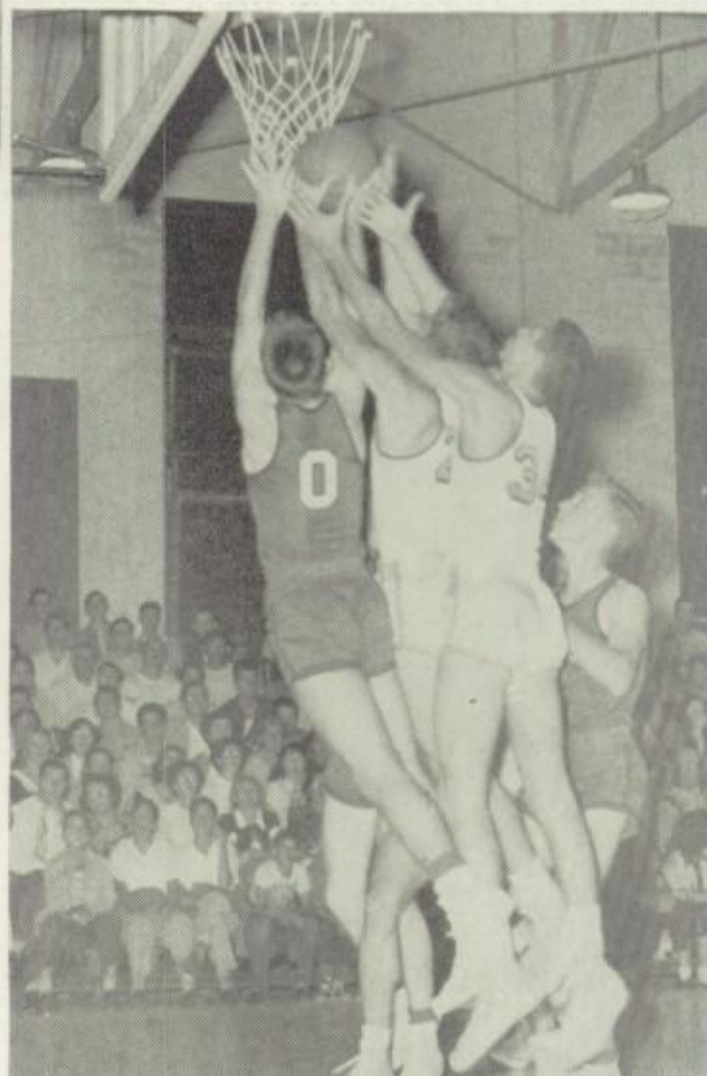

After previously defeating Fort Lauderdale twice in regular season play, the Typhoons fell before a scoring Lauderdale five. In the full 32 minutes of the game a lot of good basketball was played by both clubs but it was the superiority of the Flying "L's" that won the game.

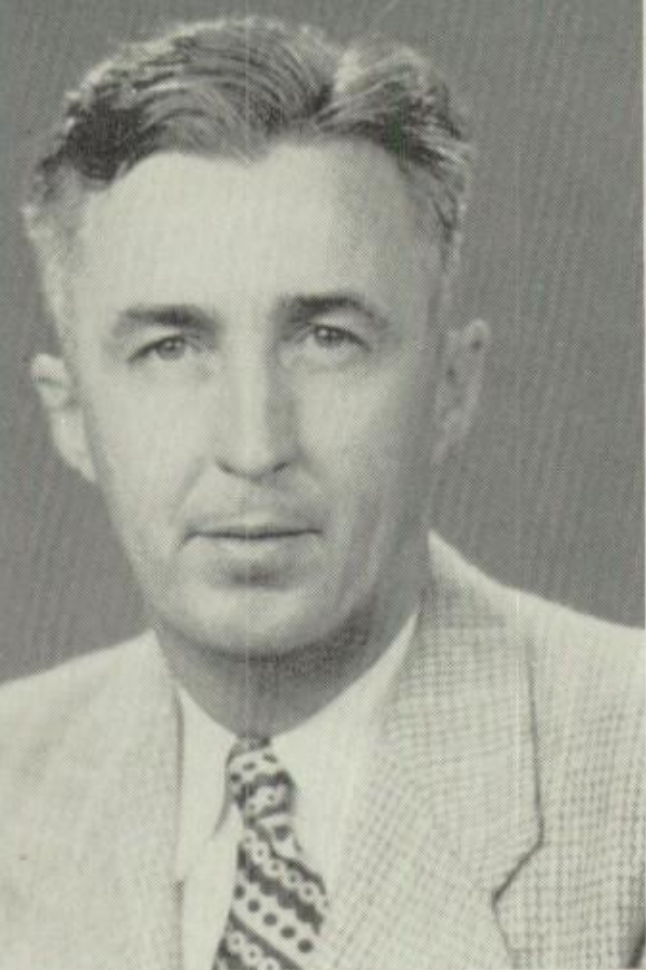

### BEACH BLASTS BROWARD, 37-35, FEBRUARY 17, 1950

In the Gulfstream Tournament, the Typhoons worked their way into the finals by downing a tough Broward team. The Beach had lost to the Bulldogs earlier in the season, but this time, paced by Jerry Burns' 11 points, the Tys were unbeatable.

In the final game of the Tournament the Tys fell before the underdog-but-hustling Vero Beach quintet 37-35.

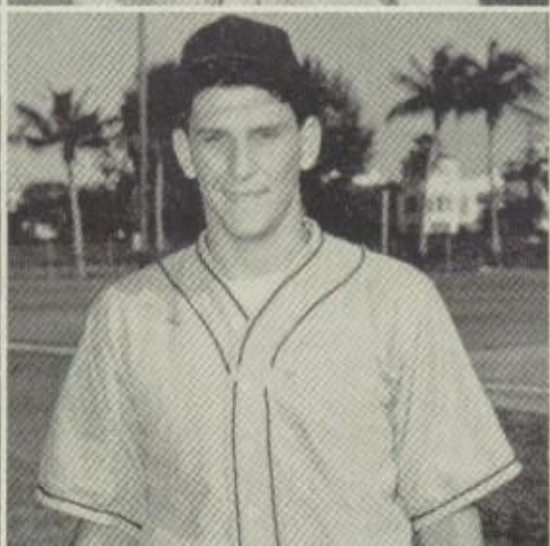

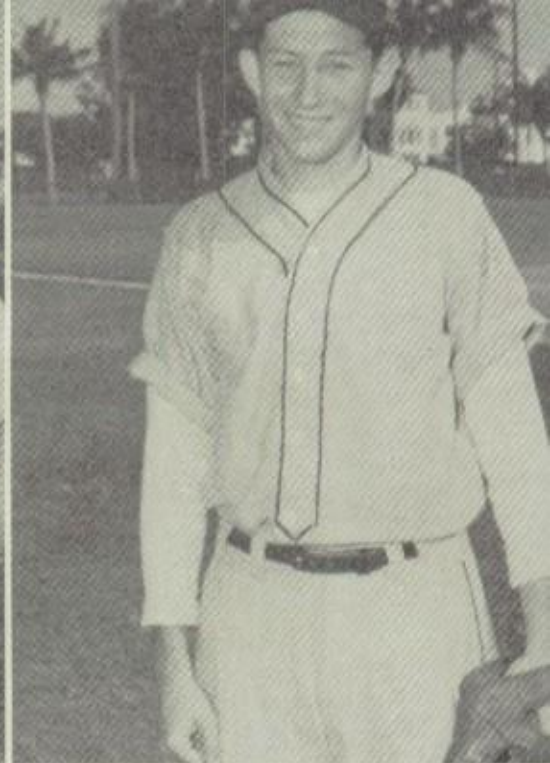

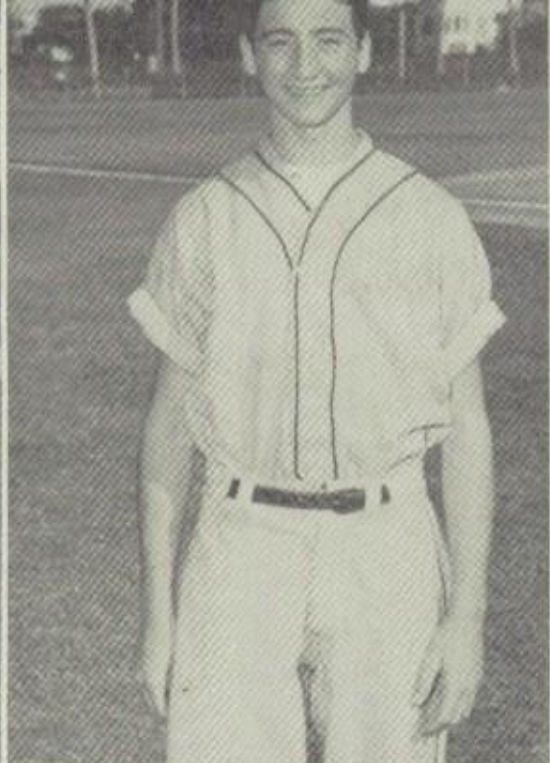

Coach W. D. Cole

## Baseball 1950

The 1950 Typhoon Baseball team, under the able coaching of Mr. W. D. Cole, again proved its worth. With a great many new faces, the team welded nicely into shape and did a fine job. With the pitching duties going to Marty Kazan, Howie Teshner and Ralph Atkinson, and the slugging to Howie Silverstein, Jay Swidler, Barry Horenbein, Howie Grumer, and Dick Dalton, the way was paved to the team's many victories.

## BOYS' TENNIS TEAM

The boys' tennis team again completed another successful year, with a 9-1 record. Under the able direction of Bill Rice and sponsorship of George Mehallis, our "racketeers" made a fine showing. The team won the Gulfstream meet and placed second in the State Tourney under unfavorable weather conditions. Paced by Captain Fred Bill, Phil Abrams, Eugene Mann, Jim Kennedy and Jules Cohen, all the boys deserve a lot of credit.

## GIRLS' TENNIS TEAM

The girls' tennis team once again came through with an undefeated season, winning all ten of their matches. The girls won the Gulfstream title and then in the state championship walked away with the coveted crown. Led by Captain Aviva Kamin, Sue Herr, Ruth Schapiro, and Janet Hirsh, the girls not only brought honor to themselves but also to the school.

## *Girls' Athletic Association*

The purpose of the Girls' Athletic Association is to promote competitive sports and thereby to increase interest in the inter-homeroom program. This program has been carried out with representation from every home room in senior high school in volleyball, softball and badminton.

The G.A.A. awards letters, pins and bars to the members who earn the required number of points for each emblem of accomplishment. Our chapter was represented at the Dade County G.A.A. meetings and county play days.

The G.A.A. has completed a very successful year under the able leadership of its sponsor, Miss Mary Sullivan.

Under the coaching of Mr. Harold Lannon, track finally blossomed into a major sport this year. With little material out, the boys certainly deserve a lot of credit. ## *Cheerleaders*

To the cheerleaders goes much of the credit for the success of athletics this year at Miami Beach Senior High. Hearing that "fight, team, fight" means a great deal more to the team than just another cheer. It is an added incentive to them to go out and "do or die" for their alma mater. This year's Pep Squad couldn't have done a better job, thanks to Miss Lindley, their coach, and the captain, Sydelle Busker.

### *1949 Junior Coronation Show*

The coronation show this year was one of the best ever to be put on by a junior class. Each specialty was excellent in its own right and the chorus added to the sparkle of the production. Mrs. Sokoloff and Mr. Duff did sensational jobs in directing. The evening came to a close with the crowning of the queen, Miss Edith Bernie, by Junior Class President Gene Weiner. Her two ladies-in-waiting were Miss Sydelle Busker and Miss Anna Mae Le Bost.

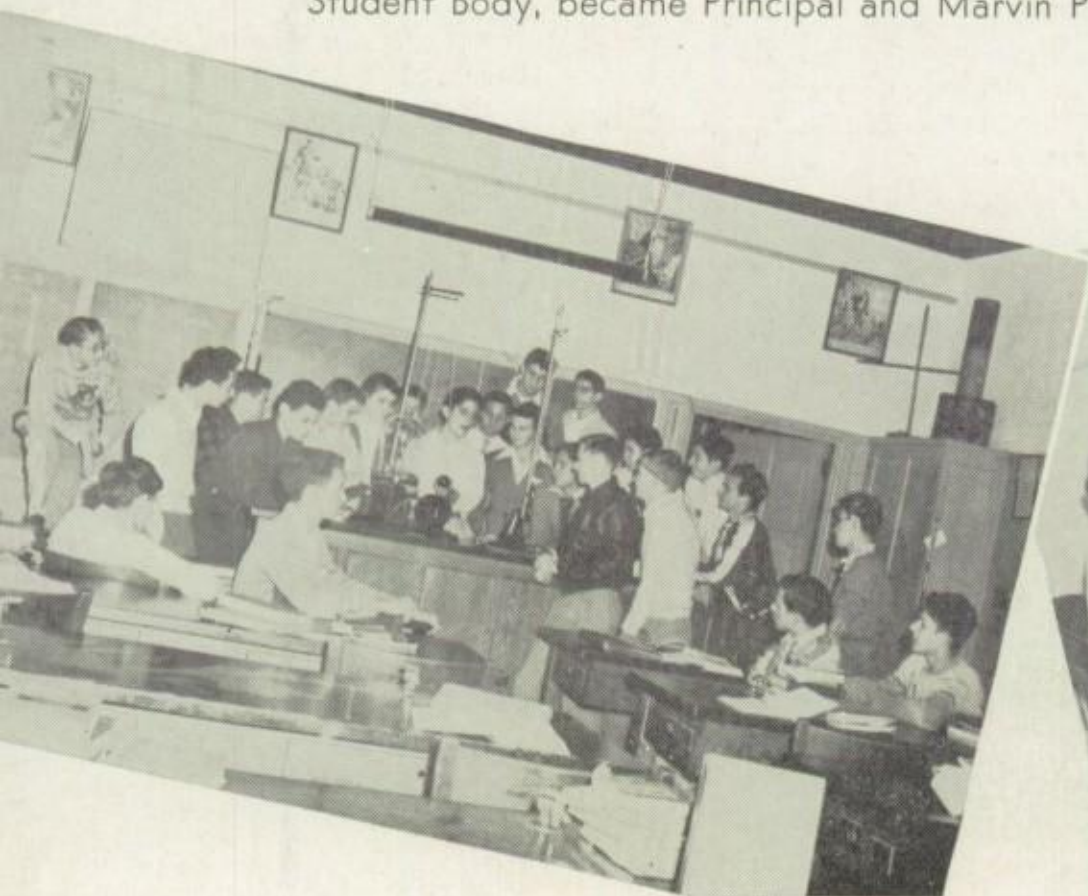

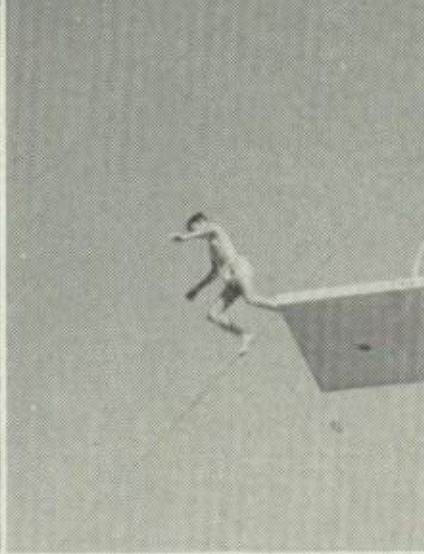

## *Student Day*

Once again on Friday, November 18, the students of M.B.H.S. took over the direction of the school while the faculty took a back seat. Mary Lou Nelson was Dean of Girls and Gene Weiner was Dean of Boys. Each class elected a student teacher and an alternate to teach the day's lessons. Bernie Kulchinsky, Prexy of the Student Body, became Principal and Marvin Pehr, Assistant Principal.

## Midyear Senior Class Play

Did Mr. Whitefield give Larry Regan a check for \$50,000? Was the judge wrong in dismissing the jury? Did Bjorn Faulkner love his wife? Was Karen Andre guilty of murder? All this was discovered on the night of January 16th, when the midyear senior class put on a play for the first time in the history of the school. The audience actually participated when Bernard Kulchinsky, the Bailiff, drew the names of 12 "jurors" out of a wooden box. The spectators held their breath in anticipation while the jury deliberated. The foreman rendered a verdict of guilty and the jury was dismissed for a faulty judgment.

## IN OUR JUNIOR HIGH LIBRARY

## *The Junior High*

### *Mixed Chorus*

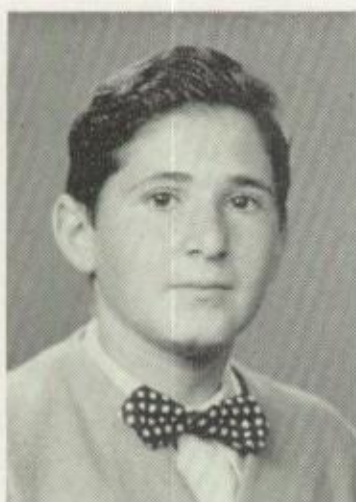

Mr. Dutton

The Junior High Mixed Chorus is an outgrowth of the Treble Cleb Club which was organized in 1947. This season is the first in which male membership has been permitted. Directed by Mr. Dutton, their sponsor, they have completed a very successful year, participating in several curricular and extra-curricular activities, among which have been singing in both the junior and senior high Christmas assemblies, singing for the P. T. A. and participating in the Orange Bowl Pageant. At the end of March they entered the District Vocal Contest and received a first division. Toward the latter part of April the chorus presented a musical program of vocal and instrumental music for junior high. In June as in February the chorus played an important part in creating an impressive atmosphere at the ninth grade Promotion Exercises.

Mrs. Stewart, adviser

Marcia Lee Bott, secretary

Erna Feldman, treasurer

## *Junior High*

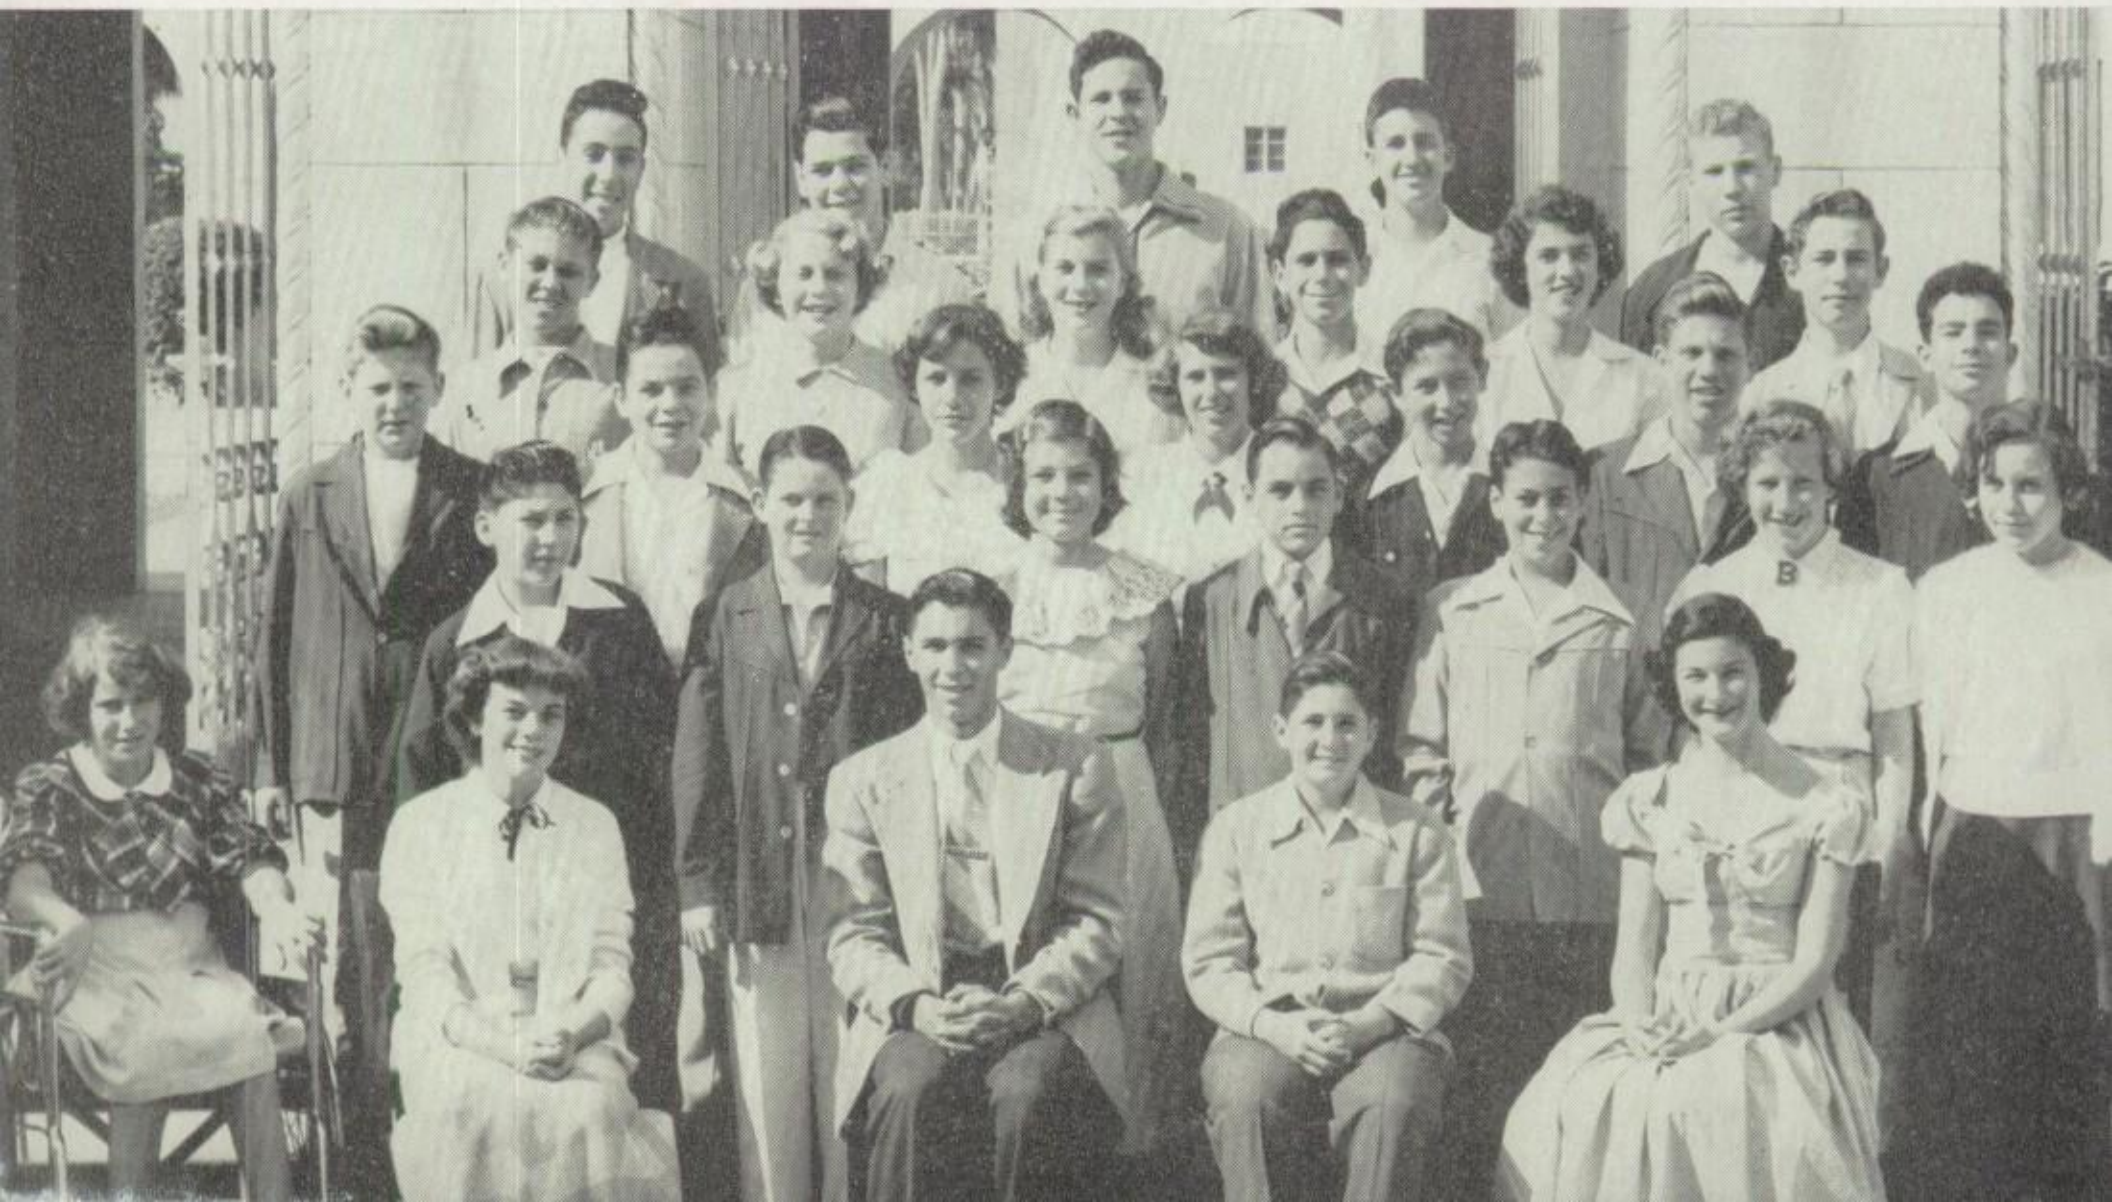

Seated: Marcia Lee Bott (Secretary), B. Z. Goldstrich (President), Max Hagen (Vice-president), Erna Feldman (Treasurer).

First Row: Betty Baron, Joe Schwartz, Steve Blane, Sylvia Ger, Alan Lewis, Herbert Kaplan, Joan Furman, Barbara Weiss.

Second Row: Richard Rose, Alan Basch, Ann Singer, Lillian Gillman, Chester Krone, Stan Levitt, William Pintzow.

Third Row: Richard Brickman, Marilyn Krensky, Sandra Ell, Morris Broad, Terry Landy, David Hillman.

Fourth Row: Dick Alter, Kenny Dinnerstein, Donald Lichenstein, Paul Rapaport, Melvyn Katzen.

## *Junior High Student Council*

The Junior High Student Council is composed of the elected representatives from each home-room, the members of the cabinet, and the elected student body officers.

The President's Cabinet is headed by the Secretary of Interior, Secretary of Assemblies, Secretary of Social Affairs, Secretary of Traffic, Secretary of Athletics, and the Parliamentarian. There are also three board members, one from each grade level in junior high.

Under the capable direction of Mrs. Louise Stewart and the officers, the Student Council sponsored many worthwhile projects. They cooperated with Senior High in the Lend-A-Hand Drive. School spirit and friendliness amongst the students have been their main goal and they achieved this by having several dances at which time the students could become acquainted with one another.

Seated: Erna Feldman, B. Z. Goldstritch, Max Hagen, Marcia Lee Bott.

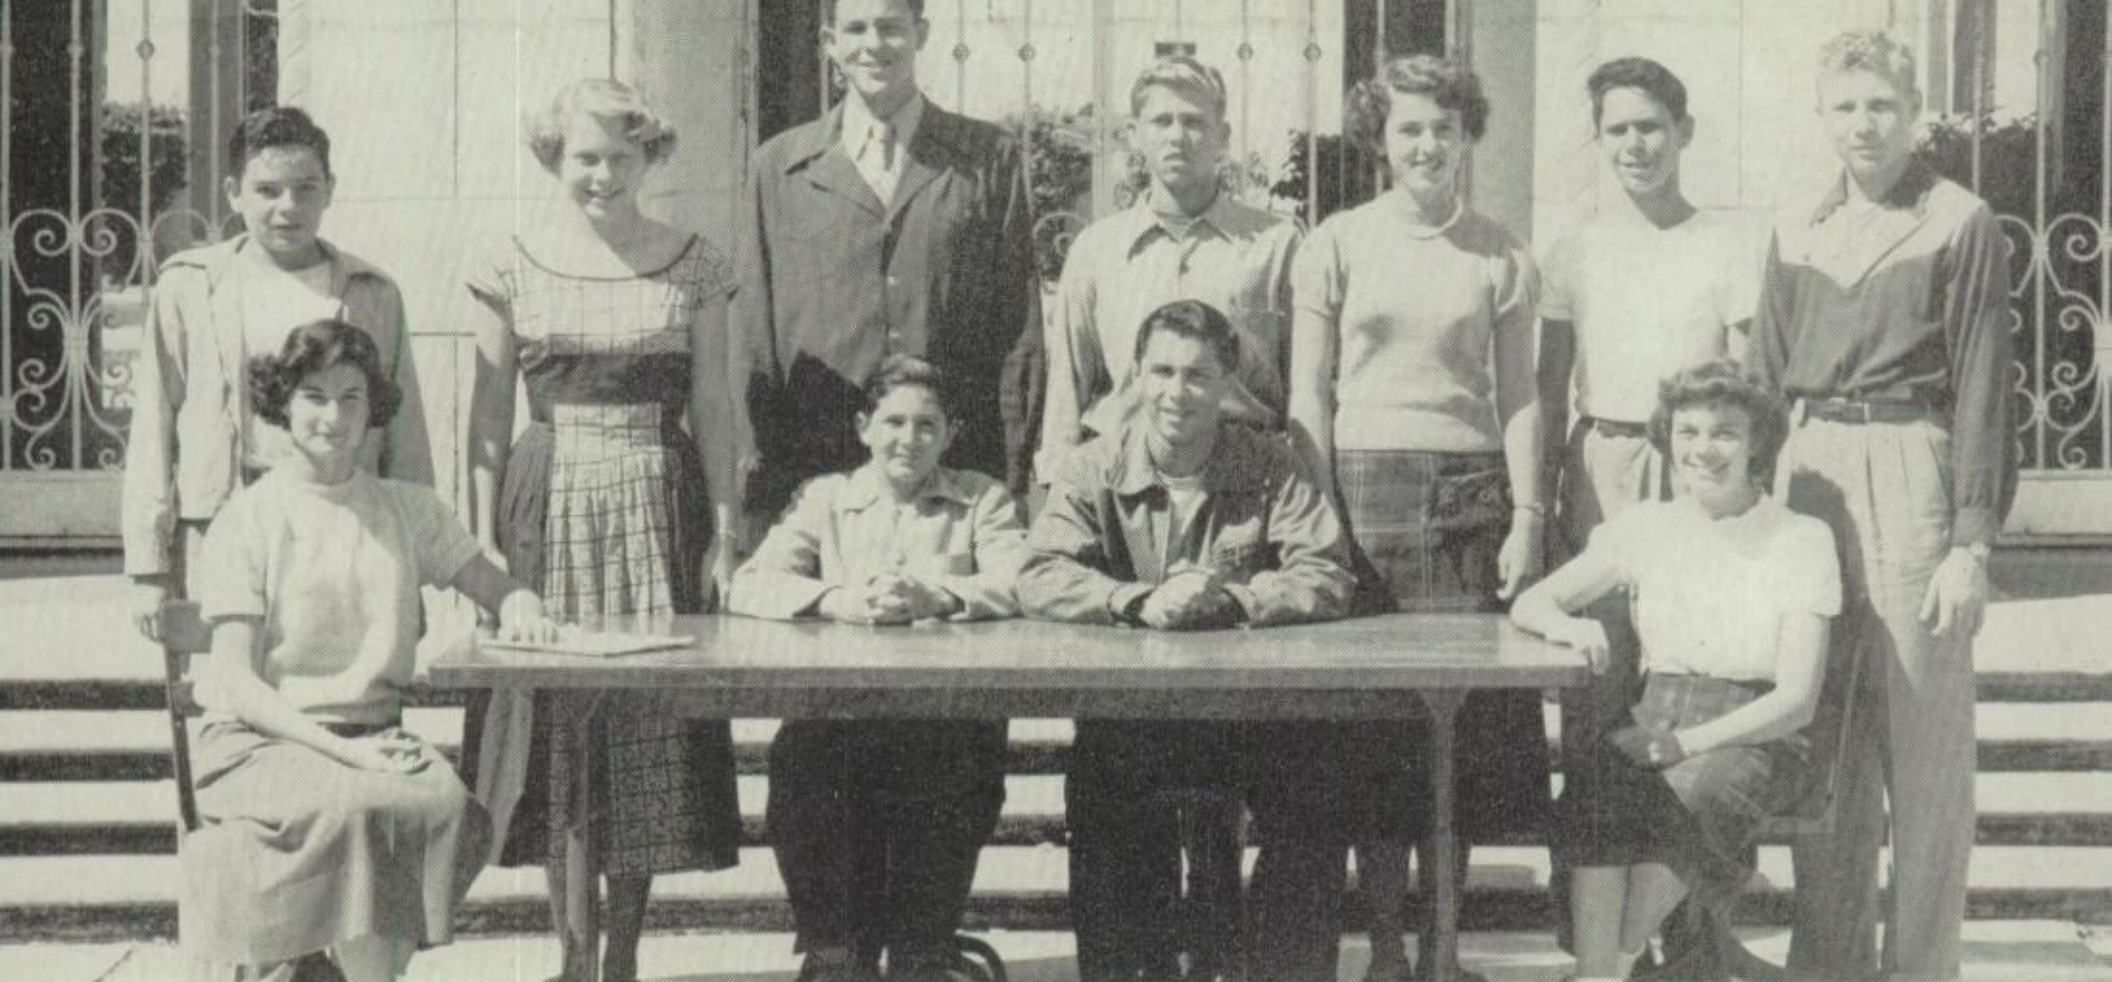

First Row: Patti Godelph, Alan Lewis, Joan Freeman, Miriam Levy, Elizabeth Simkowitz, Richard Rose, Joseph Schwartz.

Second Row: Jacob Robinson, Burton Black, Alan Basch, Janice Klein, Terry Landy, Richard Brickman, Morris Broad.

Third Row: Melvin Katzan, Donald Litchenstein.

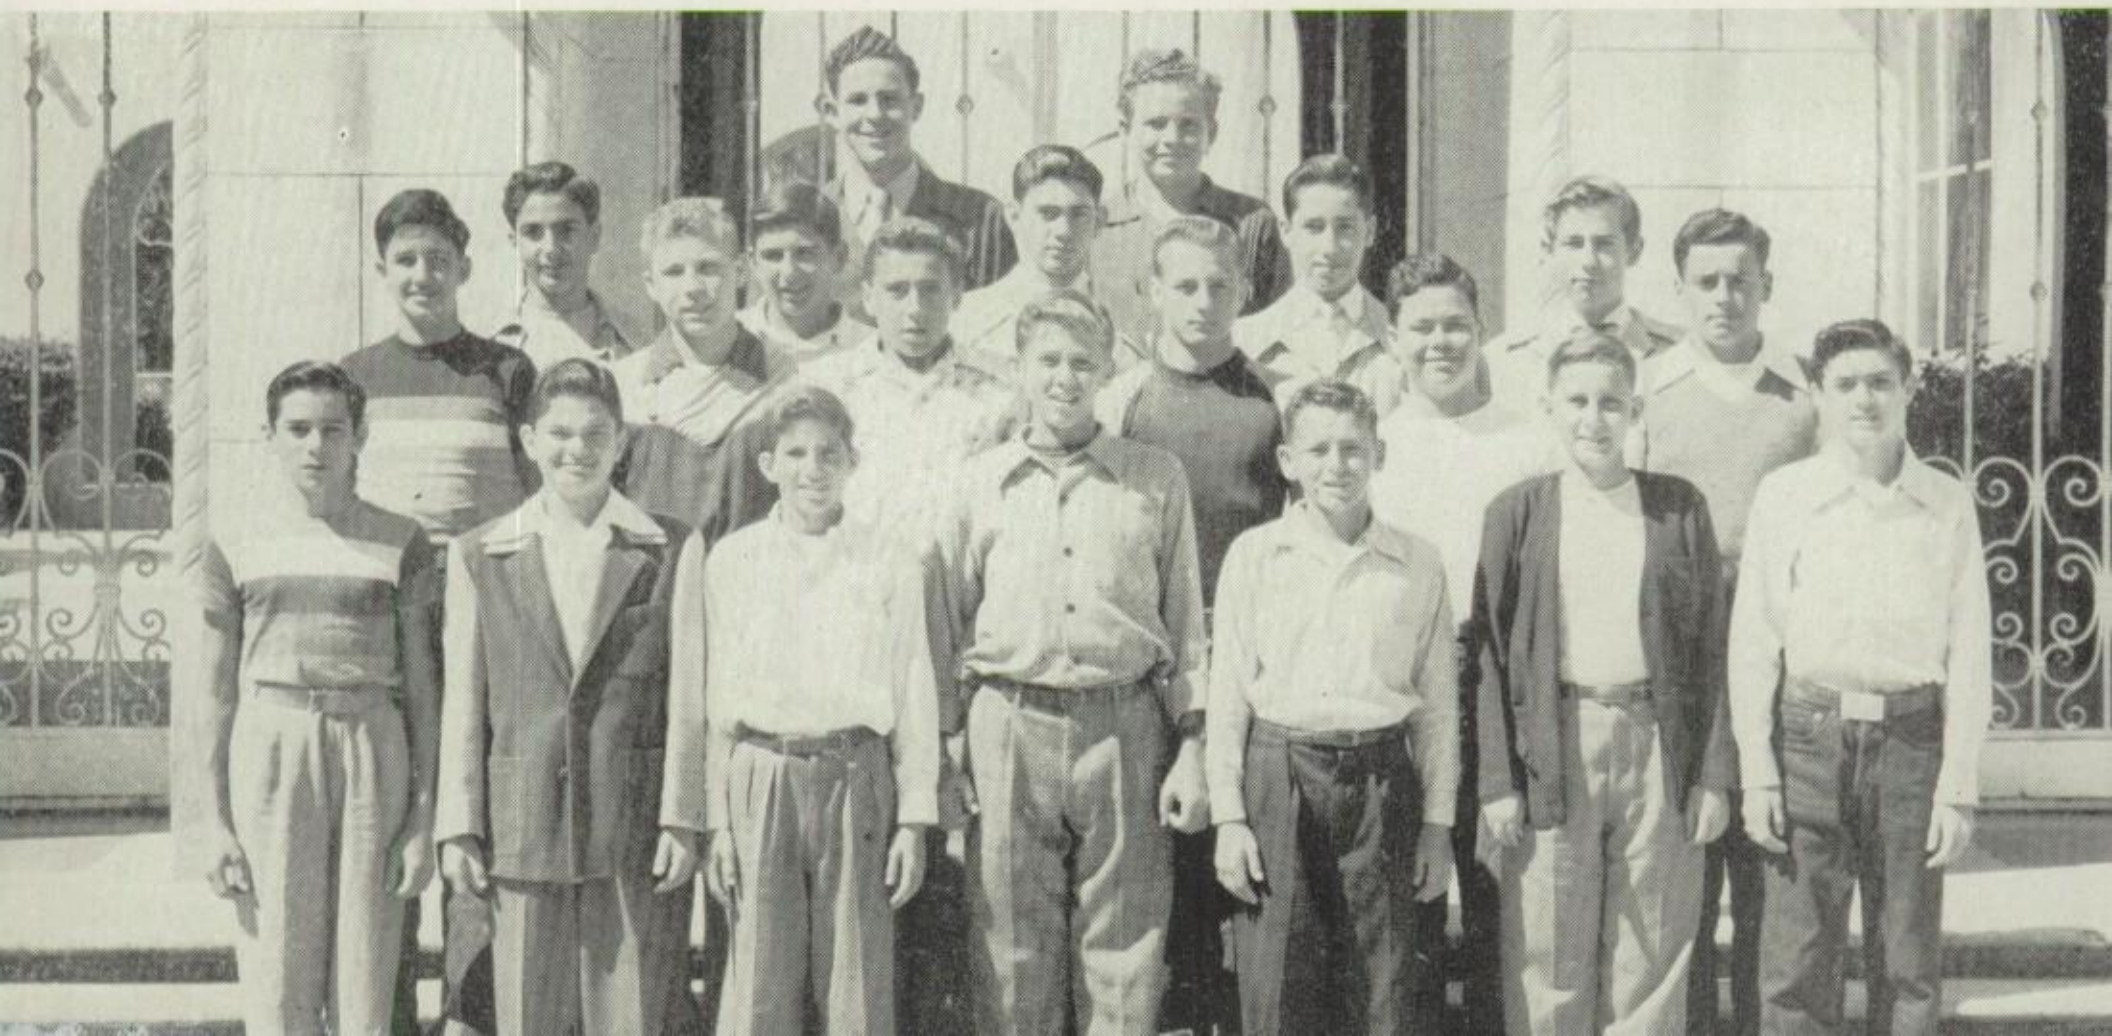

### *Junior High Student Cabinet*

The members of the junior high cabinet are appointed by the President and are usually representative of all the homerooms in the ninth grade level. They are in charge of all the main projects sponsored by the junior high student council and may be commended upon completion of a very successful year.

### *Junior High Ushers*

The junior high ushers are those boys we see directing traffic on all landings and staircases around junior high. Thanks to their efforts, problems of congestion are kept to a minimum.

### *Junior High Library Assistants*

The boys and girls who serve as junior high library assistants—first semester group pictured above and second below—render an invaluable service to the school. Under the direction of Miss McAlister and Miss Gaillard, they keep the library running efficiently all year long.

#### JUNIOR HIGH BRUSH AND PALETTE CLUB

Anyone in grades seven through nine interested in art is eligible for the Junior High Brush and Palette Club. Members have various activities which include helping to paint scenery, working with pottery, pastels, and other mediums which interest them. Their main project this year was an art exhibit in conjunction with the Senior Brush and Palette Club with anyone able to enter.

#### JUNIOR HIGH LIBRARY CLUB

The Junior High Library Club sponsored by Miss Lois McAlister has seen to it that the library is kept looking attractive, neat and clean. Their main project is a tea at which time the mothers are invited for a program.

#### JUNIOR HIGH NATIONAL HONOR SOCIETY

Under the direction of Miss Lane, Mrs. Teller, and Mr. Lessner the junior high National Honor Society has established itself firmly in our school. This year they sponsored the Good-will tags for Brotherhood Day and put on a fund-raising play.

#### JUNIOR HIGH CHEERLEADERS

The junior high cheerleaders were well-organized by their sponsor. They had plenty of "pep and steam" as they led the cheers at all the "B" team games.

# PUBLICATIONS

# B E A C H

Miss Mary Merrit  
Adviser

The Beachcomber is our school newspaper. It is published twice a month but this year because of insufficient funds it came out less regularly. The Beachcomber stimulates and encourages interest and participation in school activities from both junior and senior high school students. It endeavors to give experience to those students who are interested in going into the field of journalism in later life, and offers opportunities in leadership and creative expression. This year's staff has published some of the best issues in the history of our school, full of interesting news, editorials, and clever cartoons.

IN THE

MAKING

## Embryo

The Embryo staff is selected on the basis of application and the desire to promote creative writing among the students. This year's staff artist, Gloria De Cesare, cut, arranged, and designed the stencils for each page in the book. The publication is completely set up and arranged by the students.

The materials used are the original works of students of Miami Beach Junior and Senior High School. They are selected after careful analysis and suggestion of their sponsor, Miss Muriel Plummer, English teachers and outside authorities.

Since the start of the magazine in 1947, one day has been set aside in English classes throughout the school as "creative writing day", and all students are urged to turn in their work to their English teachers. All material is carefully considered. We feel that this year's Embryo is one of the best yet published and are proud indeed of both the staff and the sponsor.

## *In Appreciation*

We, the staff of the 1950 TYPHOON, wish to express our sincere appreciation for the able assistance so many kind people have offered us in the production of this yearbook—it has been a pleasure to work with them: to Mrs. Whittle and Mrs. Brazleton of Photo-Reflex Studios for their cheerful patience and courteous cooperation on the "portrait" problem; to Hal Kaye and Dave Moldan for making homeroom picture-taking a pleasure instead of a chore; to Miss Plummer and the commercial department for their efficient handling of our bulletins and ballots; to Mrs. Leona Miller for her able assistance in the bookkeeping department; to Mr. Todd of Engravers, Incorporated, for his tireless and invaluable aid in layouts; to "Frank" and Mr. Finnell of Atlantic Printers for their cooperation and work in the printing department; to Mr. Al Cox, who literally took us—not exactly to the cleaners—but to the engravers and the printer; to Miss Davis and Miss Roberts, our advisors, for their guidance in both the business and editorial departments; and to the entire faculty and student body for their understanding and wholehearted cooperation.

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.

## Dedication

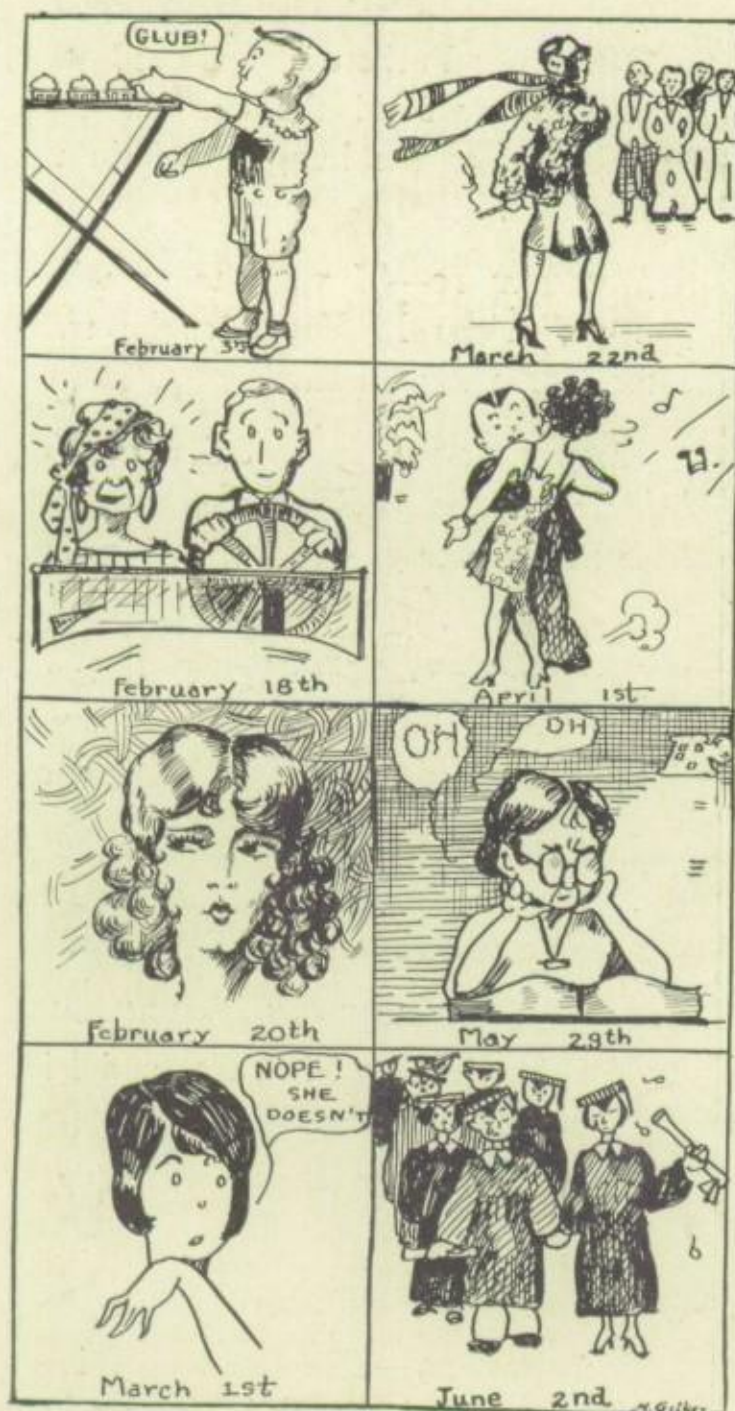

Desiring to show our heartfelt appreciation to our faithful instructor and sympathetic friend, who has endeared herself to all the students, and whose character and personality have created in us a profound admiration, we, the Class of 1931, wish to dedicate this, the tenth volume of the Highlander to

*Oh ya blonde*

FEBRUARY 3—Allan Spivey enjoys the flavor of each dish of ice cream on the table. Unselfishly he thinks of his father and carries him some.

FEBRUARY 18—O! the wrangle, tangle gypsies—some advertising for "The Gypsy Trail."

FEBRUARY 20—Such a dream was Virginia in her blonde curls, in fact she was mistaken for a new girl and given the grand rush accordingly.

MARCH 1—Nope! she doesn't have "it." That is final and such a pity too, but Billie Ellis knows.

MARCH 22—Never a more beautiful sight was enjoyed by the girls than when Roy Lott appeared at the George Washington dinner charmingly gowned in his latest Paris creation.

APRIL 1—O, yes! a perfectly wonderful dance was given in the dining room. Notice the date, please.

MAY 29—Exams must be met by even the best of us.

JUNE 2—'Tis come, the day of parting. Dear Seniors, we bid farewell. We wish for you the best of success.

*The Perfect image*

JANUARY 3—Back again! Aren't we glad Virginia Puckett is generous? She even passed around the drumsticks of her chicken to the hungry mob in the Wilderness.

JANUARY 10—"I want to go where you go," sings Pi Kappa as he trails after Nolan MacFarland.

JANUARY 20—(Milton Spivey) "Yes, he's my boy," says Roy Lott, but here's how he looks to us—wings, springs and all.

JANUARY 22—Mary Ruby Johns returning with the supplies for the Saturday night banquet of beans and onions.

JANUARY 24—"Tis cruel,—to be a cat. After a few shrieks and faints no cat feels much at home at Southern.

JANUARY 26—They have "it"—that good old relieved spirit. Kat and Liza celebrate after exams.

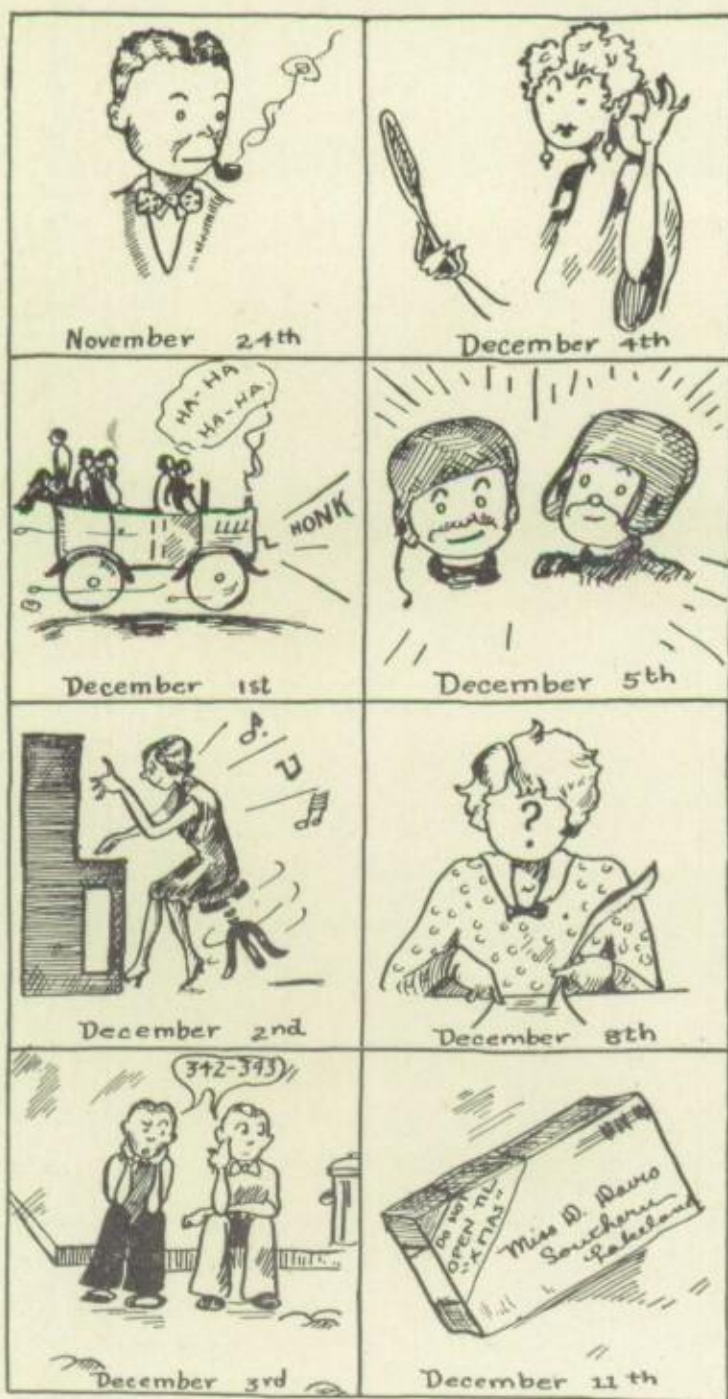

JANUARY 28—Somebody's birthday, so all the girls in the dining room pay their respects through song.

JANUARY 29—The sadness of it—a rumor is abroad that Ed leaves school at the end of the first semester and some are simply unable to "hold-up" under the shock of the news.

NOVEMBER 24—Now that Cyril Rou is grown he has put away childish things and has taken to his pipe.

DECEMBER 1—Lightning drags the main as on nearly every other day.

DECEMBER 2—Netta at work in the Wilderness.

DECEMBER 3—The fate of a pledge! Sparks and Cyril Rou count cars passing on main drag.

DECEMBER 4—Each fair co-ed vies for honors in Who's Who contest.

DECEMBER 5—The end of a glorious football season for our "Rats." Roush and Rou—the stars!!

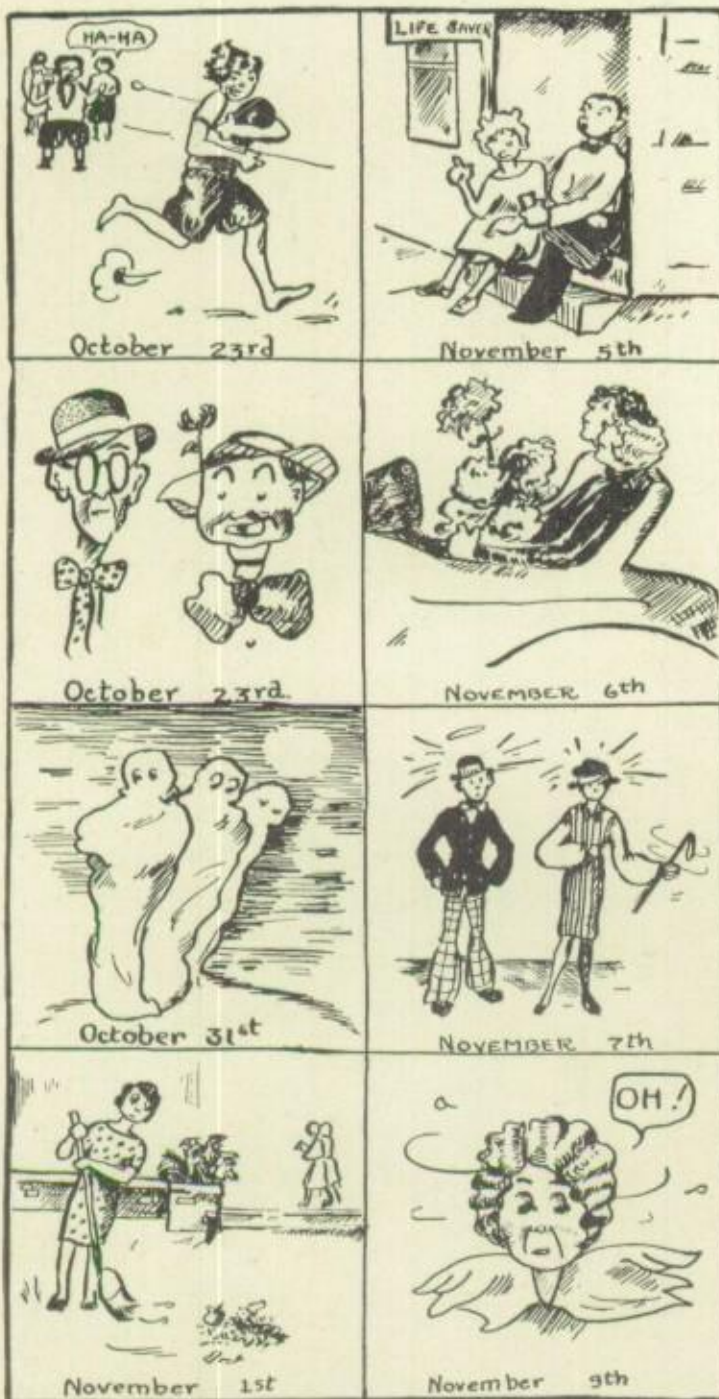

DECEMBER 8—Gentlemen prefer blondes; well,—we surrender. Anyway, we wonder what girl had enough courage to write those letters in the Southern.

DECEMBER 17 — Christmas vacation approaches. Savannah gets the first box.

OCTOBER 23—In a game between the Knockouts and Underdogs, Mildred Buck makes a touchdown at the enemy's goal.

OCTOBER 23—Lillie and Slim and their family enjoy the dedication of the new Athletic Field.

OCTOBER 31—Y. W. C. A. gives a Hallowe'en party.

NOVEMBER 1—Morning after the night before when the Y. W. C. A. Cabinet cleans up.

NOVEMBER 5—Lillie and Corning plan for their garden and select the seeds.

NOVEMBER 6—Tot Griffin and Margaret Robson act as sponsors at the Stetson game.

NOVEMBER 7—Dignity of Seniors fully recognized because of their new hats and canes.

NOVEMBER 10—It's a pure, pious life the Student Council members lead.

## Calendar

SEPTEMBER 15—Oh, thrills! the old girls are reunited and a number of strange, dumb faces appear.

SEPTEMBER 16—At the first Chapel talk we get a "close-up" at the new faculty.

SEPTEMBER 16—Registration is over and "Gal" and Theresa discover they have no more than two classes in common.

SEPTEMBER 17—Trunks and fun!

SEPTEMBER 29—Football begins! "Kat" and Christie begin to get co-operation and organization among us.

OCTOBER 8—Rat week begins; oh, what specimens!

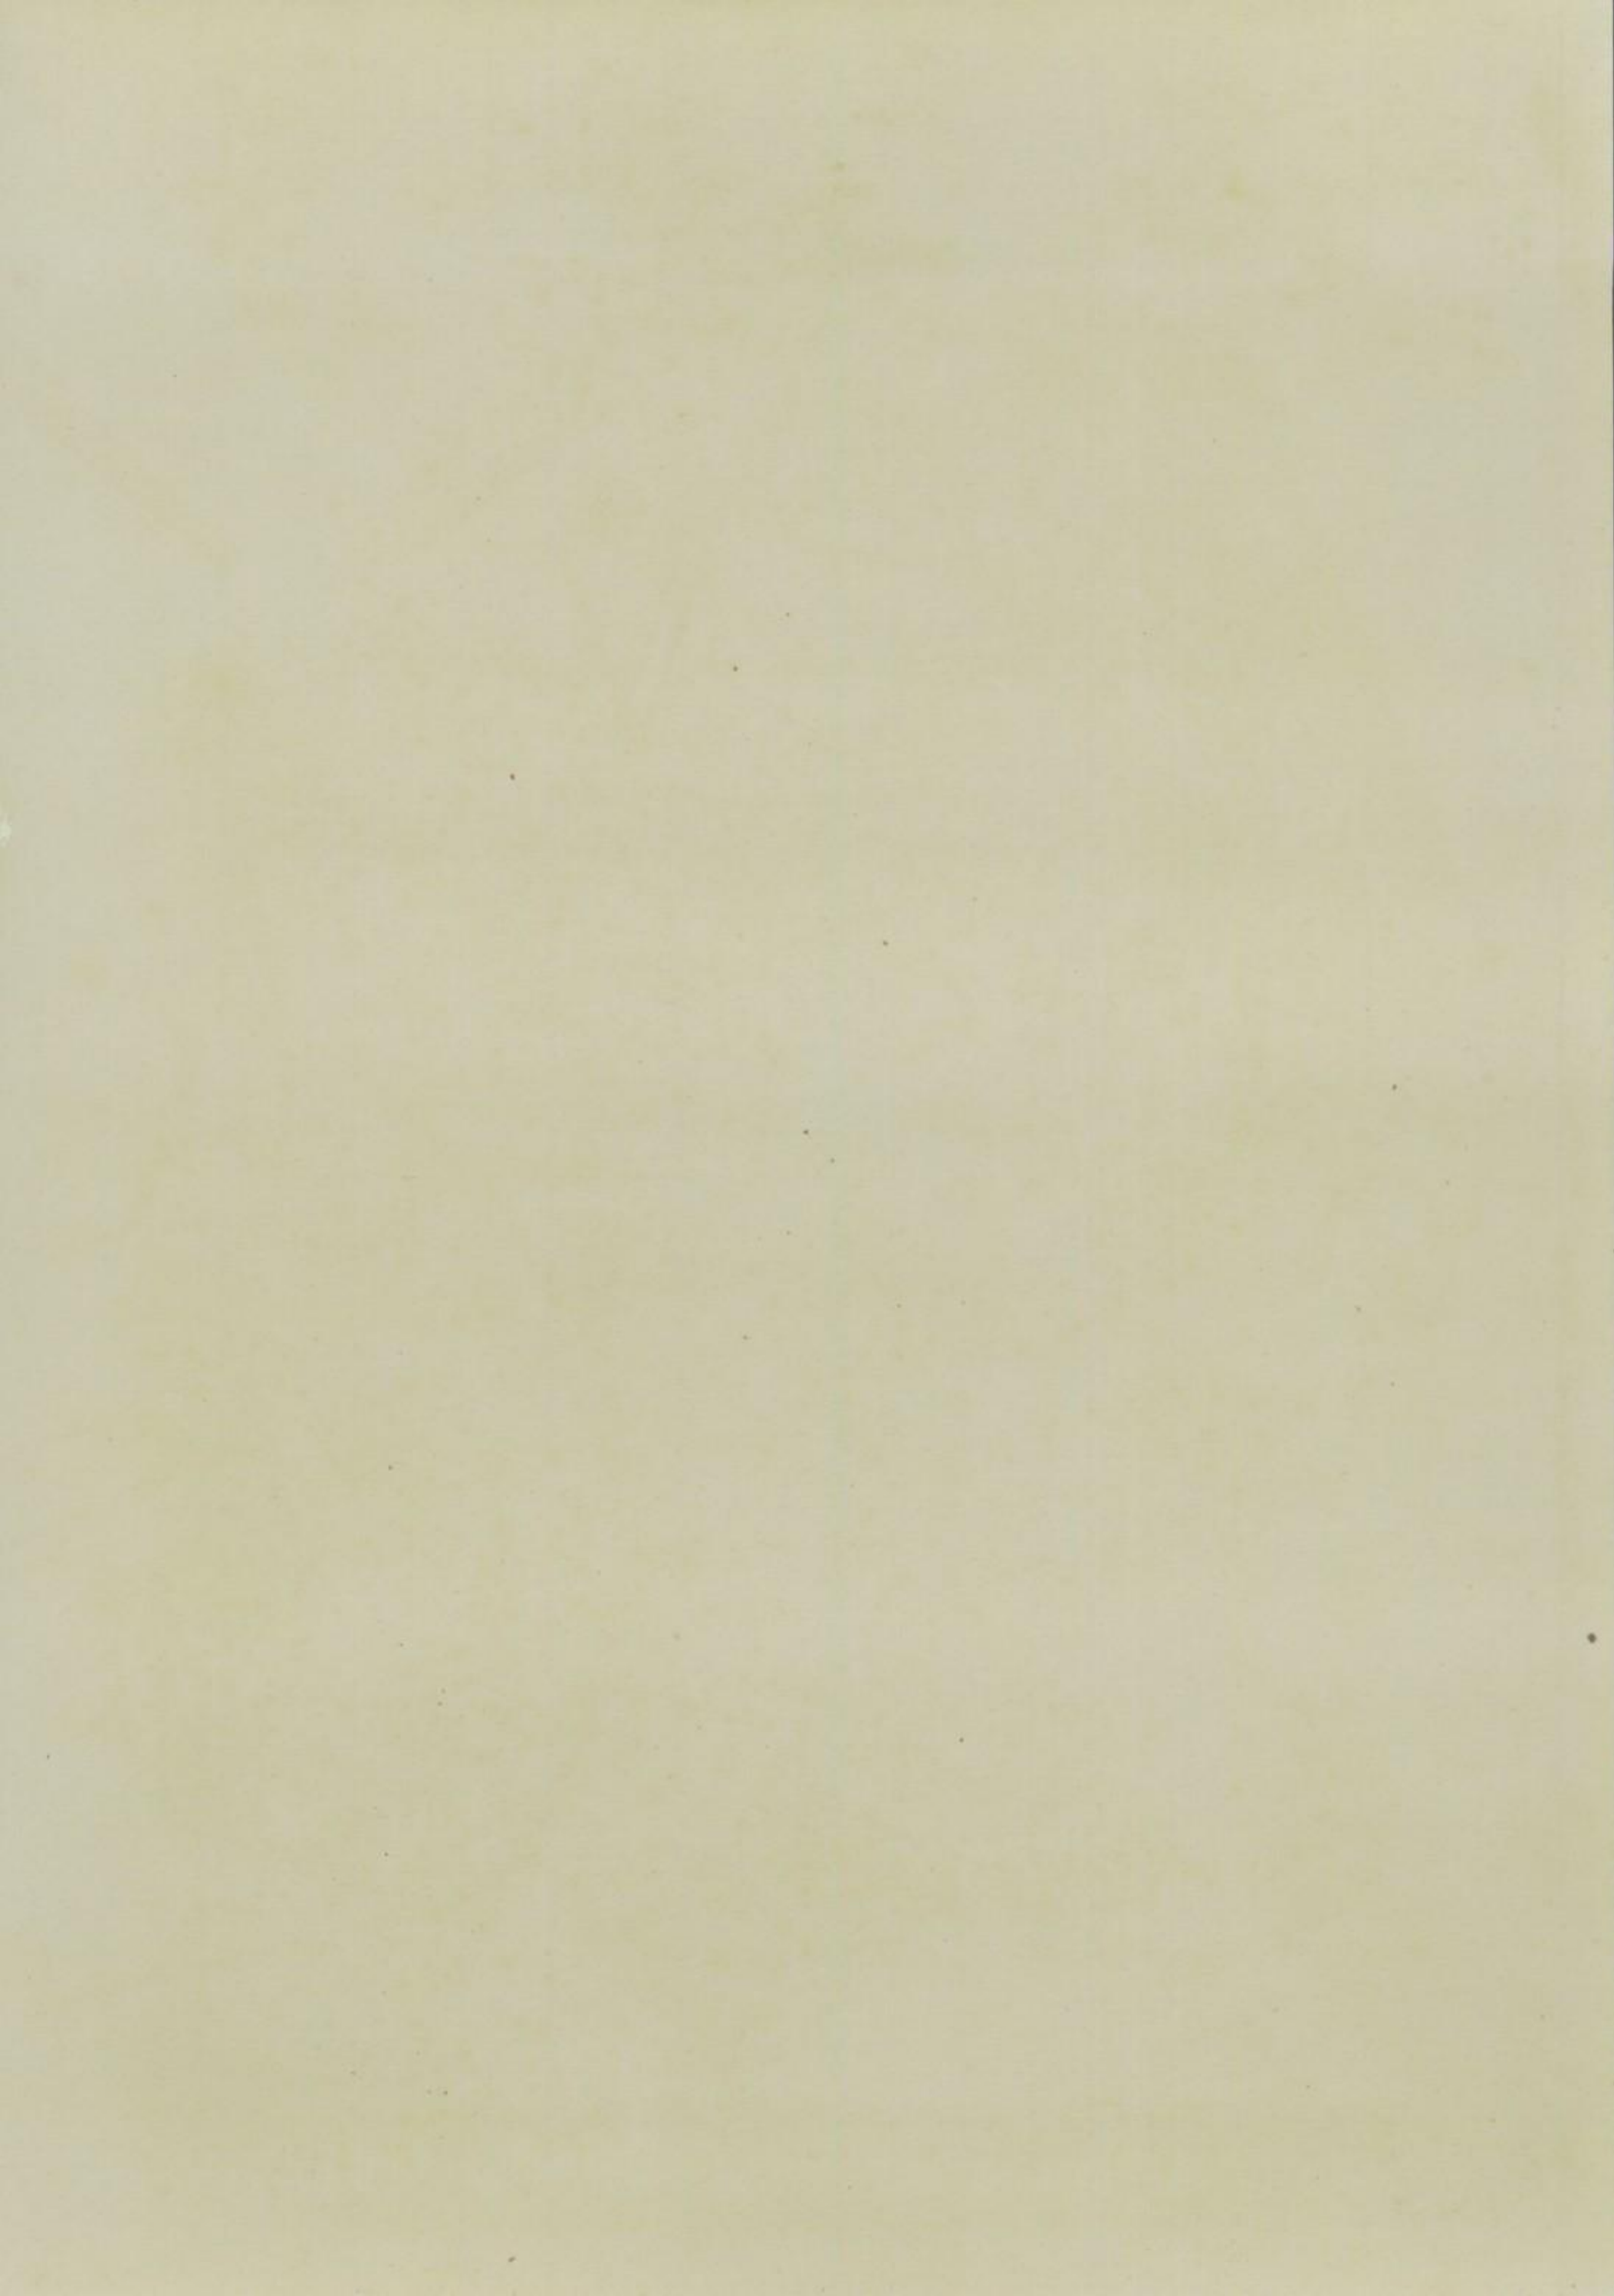

OCTOBER 14—Football boys leave for Birmingham. Roy has such a hard time telling Frances good-bye.

OCTOBER 18—Rush week begins! Sh! secrets, plots and plans.
